

# WELCOME TO **SilvaGunner**

---

Thank you for choosing to listen to SilvaGunner.

**SilvaGunner is a YouTube channel created as a homage to the original GilvaSunner. Like Gilva, the channel is dedicated to posting video game music--with a twist!**

*All of the music has been modified in some way--for example, if you were to look up the "Athletic" theme from Super Mario World on the SilvaGunner channel, you may find that it sounds a little too much like "Witch Doctor".*

Aside from the music, the SilvaGunner channel also has an ongoing story revolving around the existence of "SilvaGunner" himself: a sentient statue and the figments of imagination he has created.

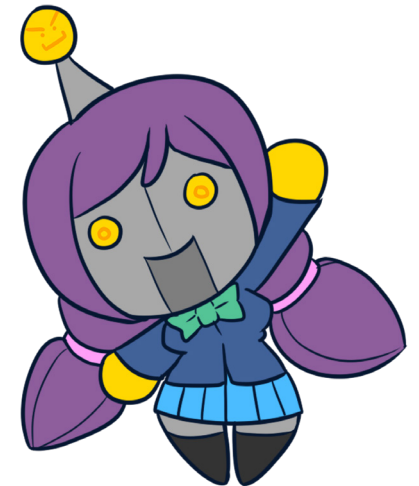

This has culminated in a few story arcs:

- *SilvaGunner: Rebooted*, when SilvaGunner rebooted itself to create new running jokes.
- *The SilvaGunner Christmas Comeback Crisis*, where SilvaGunner's existence and homeworld is under threat by a mysterious entity known as The Voice Inside Your Head. As of 2019, this arc is still ongoing.

This album contains some of SilvaGunner's greatest and most essential hits that best exemplify the channel's work. They're a great introduction!

There are many more running jokes, secrets and nuances to the SilvaGunner channel... but as they say, the real fun comes in the mystery, so *it's up to you to discover them for yourself!*

***We hope you have fun on our channel!***
