SPECIAL RULES

The upkeep phase now has an additional step, called Reinforcement Step, right after the Lore Step.

- **Victory Point (VP) Step:** Gain one additional Victory Point.
- **Draw Step:** Before drawing, discard any number of command cards. For each discarded card, draw an additional one.
- **Lore Step:** Play the step twice.

To win, the player must destroy the opponent's command tent. Victory Points cannot be used to win the game.
