Consider this as Latari Scenario Card A 1.

You may use other armies instead of the Latari list.

Violet hexes are showing the fields used by your enemy in setup phase.

SPECIAL RULES

A friendly units that moves into a forest hex doesn't have to stop its movement.

A friendly occupying a forest hex ignores forest-terrain restrictions when attacking.

If a friendly unit that occupies a forest hex is attacked. the attacking unit rolls a maximum of two dices (before modifiers)

A friendly unit that retreats into a forest hex still can't retreat further during that combat.

OBJECTIVE

VP Step: Gain 1 VP for each pair of hill and forest hexes occupied by friendly units. A pair consists of 1 forest hex and 1 hill hex that is not part of another pair.
