

The Command Post

Capturing the Command Post would be vital in the operations of both sides. A cruel battle was up ahead...

SETUP

The Uthuk player goes first

OBJECTIVE

At the start of the Uthuk player's turn, when a player has reached 14VPs, a last round is played. The player with the most VP's at the end of this round is the winner.

The winning faction will draw 7 command cards from which will choose 4 at the start of the rest of the campaign's scenarios
