

CAPTURE THE FLAG

The allocated piece does not count against muster points. he is the flag bearer. he can move, and counter attack, but cannot attack.

Each side only gets 40 muster points.

The goal is to capture the flag of the other faction, and bring it back to their respective home back. first to complete the mission, or totally eliminate the other faction wins.

All other set up and terrain rules apply.

SPECIAL RULES

A unit that kills a flag bearing unit can move into the defeated units tile and pick up a flag.

This can apply to either flag, they can recapture thier own.

OBJECTIVE

To capture the enemy flag, or destroy the enemy.
