

After several months of ongoing war, the Daqan have retreated to defend this valley. They are now under siege from Uthuk forces.

Alternatively, a player wins the game if all of his opponent's units have been eliminated (he wins immediately).

SETUP

The Daqan player cannot use cavalry units.

The Uthuk player is the first player.

SPECIAL RULES

The Daqan player gains 2 VP each time he eliminates an enemy unit.

The Uthuk player gains 1 VP each time he eliminates an enemy unit.

OBJECTIVE

A player wins the game if he has 16 or more victory points and has more victory points than his opponent (at the start of the Uthuk player's turn).
