

The image displays a 6x6 grid of 36 teardrop-shaped icons. Each icon features a stylized eye with a central symbol (a green checkmark or a red X). The icons are color-coded by row: yellow, blue, light gray, purple, dark blue, and red. The central symbols vary across the grid, representing different combinations of true/false and pass/fail.

The image displays a 6x6 grid of 36 teardrop-shaped icons. Each icon features a stylized eye with a central symbol, either a green checkmark or a red 'X'. The icons are color-coded by row: yellow, blue, grey, purple, teal, and red. The central symbols vary across the grid, representing different states or outcomes.
