

Actions

- ◆ In order each player can use 1-3 matching dice for one action or pass
- ◆ Round ends when no dice available or all players have passed
- ◆ May pay player or bank (gray) to use dice. If using 1/2/3 dice pay 2/4/6 deniers per dice

Activate Activity Card

- ◆ Must have **tradesman**. Hire if necessary by paying indicated amount in deniers. Place citizen on free space (or illustration if full) from personal supply or any board location
 - 1 tradesman per player per card
 - Must activate at least once if tradesman hired
 - Citizens on card cannot be moved to newly freed space
- ◆ **Immediate effect**: activation cost (round down) determines color and use of dice
- ◆ **Delayed effect** (🎲): place cubes equal to activation cost. Use later (one cube per action)

Construct Cathedral

- ◆ Use 1-3 white dice to place 1-3 cubes on same-numbered construction site
- ◆ Must place on lower levels before placing in higher levels for each set of valued spaces
- ◆ Gain 1 VP and 1 or 2 Influence for each cube placed in spaces 1-3 or 4-6

Combat Events

- ◆ Activation cost (round down) defines dice and number of cubes to place on card
- ◆ Place cubes on small banner starting with upper left. **Gain 1 influence** for each. Only place on a single card each action and can't place more cubes than banners
- ◆ **Event countered when banners filled**
 - Most cubes earns higher reward (tied: total rounded down, 2nd earns nothing). If only player on card earn both rewards
 - 2nd most cubes earns smaller reward (tied: total rounded down)
 - Return cubes to personal supply
 - Most cubes takes card (tied: player who placed first). Discard if neutral has most
 - **Marauding**: rewards given, cubes removed, and then event is available again

Place a citizen on building

- ◆ Use **exactly one** die to place one citizen from personal supply or any board location on first space of matching **building row** or **space** corresponding to die color and value
- ◆ Shift existing citizens to right. Citizens pushed off are laid on building illustration
- ◆ If already have **expelled citizen** nobody can expel your citizens from that building

Use Agriculture

- ◆ Gain number of deniers equal to total value divided by 2 (round down)

Pass

- ◆ If dice still in any city square, pass and receive **2 deniers** which are placed in district
- ◆ Each turn add another denier to district

Influence

Before countering black die or executing action spend influence:

- ◆ **1 point**: reroll 1 of own dice from own district
- ◆ **2 points**: move citizen from general to personal supply
- ◆ **4 points**: turn over 1-3 of own dice in own district
- ◆ May execute several in any order
- ◆ Never possible to have more than 20 influence
