❖ **Oil of Undetectable Aura:** When applied to any magical item, this oil masks the item's aura from detection just like the spell *nystul's undetectable aura*. This oil is only effective for one day and can only be used on inanimate objects. Each vial contains enough oil to affect only one item; size is irrelevant. Applying the oil is a standard action.

Caster Level: 1st; Prerequisites: Brew Potion, *nystul's undetectable aura*; Market Price: 50 gp.

❖ **Ring of the Silver Tongue:** This small silver ring is shaped like a serpent coiling around the wearer's finger. It continually grants the wearer a +5 competence bonus to Bluff checks.

Caster Level: 5th; Prerequisites: Forge Ring, creator must have 3 ranks of the Bluff skill; Market Price: 500 gp.

❖ **Rod of Lesser Silence:** The user can cast up to three spells per day without verbal components as though using the Silent spell feat. This does not increase the level of the spell and cannot be used on spells above third level.

Caster Level: 17th; Prerequisites: Craft Rod, Silent Spell; Market Price: 5,400 gp.

If played at APL 4 or above, the characters have the opportunity to play an optional encounter for the cost of one Time Unit. If the player does not play in this optional encounter, cross out this section. If they do play, they may gain access to the following.

❖ **Expanded Experience Points and Treasure:** If this character participated in the optional encounter, circle one of these rather than the level of play section to the right.

❖ **Other Magic Item:** The character can also gain access to the following magic item.

❖ **Bracers of Foundation:** These ornate bracers are made of a bluish metal of unknown origin. When worn they grant the wearer Resistance: Ether Shift 5. This reduces the damage done due to Ethereal shift damage by 5.

Caster Level: 3rd; Prerequisites: Craft Wondrous Item, resist elements, Item Component (Blue Metal); Market Price: 2,000 gp; Frequency: Adventure.
