Cross out any game effects this character does not gain.

☛ **Favor of Thorander:** The favor offers you access to the library (Frequency: Adventure) to gain one of the following spells (circle the one chosen) to be either scribed into the PC's spellbook or purchased on a scroll: *enlarge weapon* (Complete Scoundrel), *lucky streak* (Complete Scoundrel), *listening lorecall* (Complete Scoundrel), *instant search* (Complete Adventurer). This library pass may be sold for 100 gp if it is not used to gain a spell. Mark this favor as USED when it is spent or sold.

☛ **Greater Favor of Thorander:** Thorander introduces this PC to a friend of his, a magical craftsman, who will add the *restful armor* special ability (Dungeonscape) to one suit of armor at regular cost. This can be used only once. Mark this favor as USED when this is spent.

☛ **Blessing of Obad-Hai:** One time only, this PC may call upon this blessing to spontaneously cast a *cure minor wounds* on an unconscious creature, even if he is incapable of casting divine spells. If a druid or ranger of Obad-Hai receives this favor, this favor acts as a sudden maximize of a curing spell instead. Mark this favor as USED when spent.

☛ **Disfavor of Thorander:** This PC is persona non grata at the University at Loftwick. Anytime they need to enter the University, for any reason, for the next few months, they will be barred entrance. The disfavor expires 6 months after the date on this AR.

ITEMS FOUND DURING THE ADVENTURE

Cross off all items **NOT** found
