Favor of the Caravan: This favor counts as a favor with the Iron Band Contraband Cartel.

As long as the PC has this favor, the PC has a +2 bonus on Charisma based skill checks with the Pawluck Valley halflings.

Normally a PC who wants to buy an item during a scenario not only needs access, but the item must also be available according to the gp limits of the town the PCs are in at the time. As long as the PCs have this favor, there is a sizeable halfling population in the area and the PC has the time to contact them (both determined by the DM), the gp limit of the community can be ignored.

Gratitude of Tasali and Armenis Bregohan: This counts as a favor with the count of Pawluck Valley or the Pitchfield Merchants.

A member of the Pitchfield Merchant Guild may expend this favor to use Tasali's influence to gain a free trade contact in either Newkeep or Pitchfield.

Pixie Dust: This small gift of the pixies is a fine powder. When sprinkled on an item, it affects that item as if supported by a Tenser's floating disk, cast by a 1st level caster - meaning it floats approximately three feet from the ground, and follows you around. It cannot be used on a living being.

Faint evocation; CL 1; Craft Wondrous Item, Tenser's floating disk, crafter must be Fey; Price 20gp

Each PC gains one charge for free, which can be sold for 10 gp.
