Death Slave of Sher Kolenka: You have signed a contract placing your life entirely in the hands of Sher Kolenka. He now has the legal right in the Sultanate of Zeif to have you killed for any reason at all, after which he is also legally entitled to animate your remains for as long as pleases him. Fortunately for you, he wishes his slaves to remain in pristine condition. If you are ever in trouble, you may utter the word, "Karshodalaman", and be teleported back to Sher Kolenka's abode in Zeir-i-Zeif. This works exactly like the spell *word of recall*, except that only you are targeted. Using this ability ends the adventure for you and costs you one time unit, since Sher Kolenka will require many demeaning services of you to pay for the disturbance. This works only three times; mark when used. [][]

Witness to the Great Desiccation: You were powerless to stop the Great Desiccation of Zeif, but its perpetrator will not forgive you for trying. From now on, half of all fire damage you are subjected to becomes desiccation damage instead. This is an extraordinary (Ex) condition which no mortal magic can remove.

Champion of the Water Folk: Your heroic actions have made the Sultanate of Zeif a safe place for water folk to dwell and saved the land from becoming a parched and barren waste. The remaining local water spirits have marked you as a friend. In any social dealings with creatures of the water subtype, their initial attitude to you is improved by one category. In addition, you receive access to all of the items marked below with an asterisk (*).

Ancient Allies: Due to your contact with a formerly forgotten group of adventurers, you may now take an eel (*Sto 166*) or stingray (*Sto 168*) as an animal companion, if you have the animal companion class feature. You may also take an eel as a familiar, if you have the familiar class feature. In addition, the Natural Bond feat (*CV 111*); the *rust ray* (SC 178), *snake's swiftness* (SC 193), and *mass snake's swiftness* (SC 193) spells; and the Wavekeeper prestige class (*Sto 76*) are now Open to you.
