### ***DRAG2~2 THIS GATHERING STORM***

#### **DRAG21 Docks District Enforcer/Liberator /Meddler**

Your investigation into those responsible for sinking ships bound for Westgate's docks district has seen you gain somewhat of a reputation with the locals.

In every Dragon Coast adventure set in Westgate, you must inform your DM of your status as an Enforcer / Liberator / Meddler as this affects NPC attitudes toward you. Please note the reputation you have earned on your Adventure Log.

#### **DRAG22 Pirate Foe**

You had an unfriendly encounter with the pirate Iaris the Sly and his crew. Should you cross paths again, expect to be treated badly.

#### **DRAG23 Under Watchful Eye**

You came into conflict with agents of the Eye of Justice. They won't soon forget your interference in their affairs. On the other hand, their enemies are not displeased by your efforts.
