❖ **Lesser Choker of Eloquence:** Coveted by bards, singers, and public speakers, this beautiful piece of jewelry is carved from ivory and jade. The *lesser choker of eloquence* grants a +5 competence bonus on Diplomacy, Bluff, and Perform (act, comedy, oratory, and sing) checks.

Caster Level: 6th; Prerequisites: Craft Wondrous Item; Market Price: 5,625 gp; Weight: -.

Arms and Equipment Guide, page 131 (updated to v3.5 rules).

❖ **Dragon's Mask:** An intricate porcelain affair, this mask has a red dragon's face, with a golden frill and horns. This mask allows the wearer to *see invisibility*, as the spell cast by a 6th-level wizard. The mask functions automatically when donned, for as much as 1 hour per day. The time need not be continuous. When the mask is active, the wearer is not subject to a rogue's sneak attack unless the rogue is at least 10th level.

Caster Level: 6th; Prerequisites: Craft Wondrous Item, *see invisibility*; Market Price: 44,000 gp; Weight: 2 lb.

Savage Species, page 56.

❖ **Kit of Kits:** This large brown leather satchel can provide the user with one of a number of kits up to twice a day. The user simply speaks the name of the kit desired, and when opened, the particulars of the kit can be drawn forth, as if held inside like a *bag of holding*. The kit is considered an extradimensional space. The following kits are available: climber's kit, disguise kit, healer's kit, masterwork artisan's tools (any one craft, selected at time of activation), and masterwork thieves' tools. From the *Arms and Equipment Guide*, the user can select from the following: animal trainer's kit (any one animal, selected at time of activation), forger's kit, jester's kit, navigator's kit, and swimmer's kit. The contents of a kit drawn from the satchel (minus any consumables used) must be returned back to the satchel in order for it to function again.

Caster Level: 9th; Prerequisites: Craft Wondrous Item, *Leomund's secret chest*, *fabricate*; Market Price: 6,000 gp; Weight: 5 lb.

❖ **Tongue of a Harpy:** When a spellcaster casts any spell with a charm or compulsion effect with this component added, there is a 30% chance the spell's duration is doubled, as if the Extend Spell metamagic feat had been applied. No more than three of these can be found per character, and they can be added to a character's equipment at no cost. Check off as used. [] [] [] []
