☛ **Cask of Assassin Vine Wine:** This wine has a reddish purple colour and a distinctive bitter-sweet flavour.

☛ **Disfavour of the Guurhok:** You have attacked allies of the Guurhok hobgoblins. The Guurhok see you as untrustworthy and will do all in their power to limit your career in the Perrenland military. Any time a PC wishes to advance in rank in the Perrenland military they must use an additional Perrenland favour, to counter the influence of the Guurhok.

☛ **Gratitude of the Rechters:** In gratitude for your actions as a Rechter, the office of the Voormann has organised special access to the magical items brought back on this trip. For the next calendar year all items on this AR marked Adventure Only can be considered a Regional item. They also offer the Rechter access to a *circlet of persuasion* and to upgrade or create a weapon with the merciful enhancement.

The Gratitude of the Rechters is only available to PCs that undertook this task in their official capacity as a Rechter.
