

## Official AR Errata for *GRM4-06 Harvest Time*

On the current version of the AR, it states that the PC possessing the Eternal Gratitude of the Commandant "cannot be commissioned into the Officers Corps with this AR." This is incorrect. The sentence should be removed and the following sentences inserted in its place:

In lieu of promotion, you can be commissioned into the Officers Corps. In order to be commissioned, you must be at least 6th-level and possess currently the rank of Sergeant or higher.

If your PC meets these requirements and you wish this PC to be commissioned, attach this errata sheet to your *GRM4-06 Harvest Time* AR, show it and your character sheet to your next DM and have that DM note the change in the Play Notes ON THE *HARVEST TIME* AR as that is when your PC actually got the commission. Keep a copy of this Errata Sheet on the *Harvest Time* AR at all times; this is your campaign documentation for the commission.
