

Official Revisions to Adventure Record Items from YEO4-06 By Brick and Mortar  
August 9, 2005

↗ **Cursed Item – *Ring of Asberdies***

Effective immediately, the ring grants a small benefit to its wearer, a +1 deflection bonus to their AC.

↗ **Curse – Construct Contagion**

Effective immediately, the Fort save to resist the next stage of Construct Contagion for this PC is a DC 12 + the APL this adventure was played at.

Furthermore, the third stage of the Contagion is revised to: -10 ft. penalty to Speed (-5 ft. penalty for Small PCs).
