☛ **Pasha's Oath:** The hero has sworn an unbreakable oath of loyalty to His Exalted Splendor, Muammar Qaran. The hero is given a small cloth bearing the Pasha's mark. Sometime in the future he will ask that you honor your promise.

☛ **Bracers of Circling Flames (Minor):** These bracers seem to be forged from some deep reddish metal that radiates a strong flame like light especially when out in the sun. When activated (10 rounds a day - continuous), thick flames envelop the user (Does not have to be continuous). Everyone within 5 feet of the user (including the user) takes 1d6+2 points of fire damage per round. The flames also obscure sight, creatures farther than 5 feet have concealment (20%). CL 3rd, *produce flame, obscuring mist*, Craft Wondrous Item, Frequency: Metaregional, Cost: 3,240 gp

☛ **Fire Node Key:** This strange red-rune covered object seems to be in the shape of a key. When activated it encases itself in a blue flame but does no harm to anyone who touches it. Through some research Jirah has determined that it is indeed a Planar Fork to the Elemental Plane of Fire. Frequency: Adventure, Cost 800 gp.

☛ **Ire of the Fire Prince Imix:** You have invoked the wrath of Imix and thus he has struck you with his flame. On your (Face) a permanent flame burns so hot it can be seen at all times. Any attempt to cover the mark fails as it burns its way to the surface of the face. Only way to hide it is with Illusion magic. Because of this deformity the PC takes a -1 to all social skills. The PC also takes an extra 1 point of damage per die on any cold damage inflicted upon them. Anytime they are hit with fire damage a brief faint image of Imix appears grinning at them. (PC may remove this ire with either a *wish* or *miracle* spell)

☛ **Gratitude of Jirah:** For excellent cooperation and success in this mission, Jirah records your names and deeds in a large tome placing it amongst many others, assuring that Tusmit will not forget you. This is a favor from Jirah that may be used in the future.
