CURING DEAD MEN SPORES

The only cure for Dead Men Spores is to remove oneself from the infected area and seek treatment. For each casting or usage: a *healing word* spell removes one failed save, a *potion of healing*, a *cure wounds* spell, or similar magic removes two failed saves, and the *lessor restoration* spell or similar magic removes all failed saves. Only a *greater restoration*, *wish* spell, or similar magic reverts the creature to its prior self if it has turned into a zombie.
