TURN TO THE BACK OF THIS BOOKLET TO SEE IF
AKODO MASAKO IS THE RIGHT CHARACTER FOR YOU!

Welcome to The Emerald Empire

This is an era of sudden change and upheaval in Rokugan, where the Emerald Empire has ruled for over a thousand years. Mortal schemes, natural calamities, and celestial turmoil alike have disrupted the political, military, and spiritual equilibrium of the land. Long-simmering rivalries and fresh betrayals ripple through the courts and on the battlefield. The Chrysanthemum Throne is beset by threats from without and within, and the honor of the seven Great Clans—the families descended from the heroes of legend and sworn to rule their lands in the Emperor's name—shall be put to the test.

READY TO START?

If you're already familiar with Rokugan, the clans of the Emerald Empire, and the other cultural aspects of the *Legend of the Five Rings* setting, then you can skip the remainder of this page and jump straight to the next page to learn about roleplaying and more about your character.

Your Clan: The Lion

"For my ancestors!"

The Lion Clan is war itself, forged by the Kami Akodo to crush the Emperor's foes. We not only live and breathe Bushidō, but also exemplify it to all others. Our roar heralds the call to battle and honor. For centuries, we have forged the military tactics and strategy of the Empire. Now, our samurai seek to apply the wisdom of their ancestors to the trials of the modern era.

Lion Clan culture lives and breathes martial achievement and glory. Even those of us who are not warriors will often couch their achievements in martial terms that glorify combat as the highest of arts.

Your School: Akodo Commander

Schools in Rokugan train and prepare us for our role as samurai, such as bushi (warriors), shugenja (priests who can call on the spirits for aid), courtiers (those skilled in political matters), and monks (seekers of enlightenment).

The Akodo War College's curriculum for commanders is focused on control: of one's weapons, of the battlefield, over the flow of conflict, and ultimately, over oneself. Here at the Castle of the Swift Sword we study the advice of *Leadership*, the last word on the art of war.

In addition to training as warriors, we are educated to be leaders on the field of battle. We often treat war as a game of Go, to be decided by exact moves. We strike precisely and without hesitation whether using a sword or commanding a unit. Our goal is to minimize losses while achieving our objectives: the pinnacle of the art of war.

The Code of Bushidō

The Way of the Warrior, or *Bushidō*, elevates samurai from the rest of society while also chaining us to near-unattainable ideals. When you become a samurai, you must embody Righteousness and Honor, Loyalty and Duty, and Courtesy and Compassion, as well as Courage in the face of death. You will be expected to uphold these virtues in your every word and deed, even when these ideals conflict with one another. The tenets of Bushidō would not be ideals to strive toward, after all, if they were easy to achieve...

The tenet of **Honor** is of deep importance to you, as is at the center of your clan's view of Bushidō, especially in the context of martial virtue.

Wise Words from your Sensei...

Honor and glory are everything to a samurai. Honor reflects your inward opinion of how well you adhere to the tenets of Bushidō, while glory reflects how well known your name is throughout the Empire. In a perfect world, you could bring glory to yourself and the Lion while maintaining your moral integrity, but in Rokugan, we are frequently tested to see which one we value more highly.

Know that your life as a samurai will often feature much turmoil over competing desires—especially over what you personally want (your *ninjō*) and what society, your clan, and your lord expects of you (your *giri*).

Playing Your Character

You are part of a roleplaying game (RPG), an exciting cooperative storytelling experience. Like many games, it has rules, components, and dice to help describe and resolve the action. Unlike most games, an RPG has no winner or loser and no opposing teams. If everyone has fun, then everyone wins!

The other players (like you) are hero players. Each of you controls one player character (PC)—your character is Akodo Masako. Hero players make decisions for their PCs, describing what they want their characters to do and how they react to the plot and setting created by the game master (GM) who runs the game. Whenever you want your character to do something, simply tell the GM what that is; the GM will then tell you the result. Sometimes, the GM may say a check is needed to see if you succeed in your request, like if you wanted to leap over a chasm or attack a foe. You'll learn how to make checks on the next page.

Your Story So Far...

The recent untimely and mysterious death of the Emerald Champion, Doji Satsume of the Crane Clan, has thrown the Emerald Empire into turmoil. Each of the Great Clans suspiciously eyes the others and wonders whether the death was no tragic accident, but a dishonorable act of murder.

In these times of strife, a group of youths approaches the village of Tsuma for the Topaz Championship and their *gempuku*, the coming-of-age ceremony that will mark them as fully fledged samurai. Each contestant has come from a different clan and dreams of being the highest-scoring contestant in the tournament, earning the title of Topaz Champion. Despite being pitted against one another, they are all united in their desire to succeed and bring honor to their clan and family.

Not everyone in Tsuma has honorable motives for the contest, however. Personal vendettas, supernatural visitations, and deadly sabotage may undermine the following days—unless the new arrivals stay true to the Code of Bushidō and act as the honorable samurai they seek to become.

As you travel to Tsuma from the Castle of the Swift Sword...

You cannot stop thinking about your treacherous brother, Akodo Kiruhage. He cheated in your recent competition with him, and you cannot forgive such a dishonor to your family and your clan!

You know your parents expect great things from you, and that your sensei is proud of your skill.

You firmly believe that the Crane Clan are cowards with little honor. You must prove the Lion better than them, especially in the upcoming *gempuku* contests!

HOW TO PERFORM A CHECK

- 1. Describe to the GM what you want to do, and they will determine the check you need to make, the skill to use, and the target number (TN) to succeed.
- 2. Refer to the Skill to be used for the check, and select the associated number of  dice.
- 3. Select the Approach (based on the Ring you're going to use) and the associated number of  dice.
- 4. Roll the combined dice pool.
- 5. Keep a number of dice (of either type) equal to or less than the Ring used in the check.
- 6. If you have at least as many Successes (Q) on the kept dice as the TN, you succeed!

IN YOUR TURN:

At the start of your turn, you should set your **Stance** if you're in a skirmish. This determines which Ring you'll fight with.

Then you can move 1 range band, and can perform one of the following **Actions**:

- ⦿ **Attack** by using the Strike action. You'll probably use this frequently in skirmishes.
- ⦿ **Move** up to 1 extra range band.
- ⦿ **Use a skill** in a check, such as Medicine to remove fatigue or Fitness to move a fallen tree out of your way.

You can also use your School Ability as part of making a check. This doesn't count as a separate action.

YOUR CHARACTER'S HEALTH AND STANDING IN THE CHAMPIONSHIP

- 1 **Endurance** represents your stamina and willingness to fight, while fatigue indicates damage you have taken. When you suffer **fatigue**, mark it here. If this goes above your Endurance value, you fall unconscious!
- 2 **Critical strikes** represent serious injuries to your character. If you suffer one, mark it here. Erase the mark if the critical strike is healed.
- 3 If your character suffers any health **conditions** such as becoming unconscious, indicate them here.
- 4 **Composure** is your capacity to endure mental and emotional pressure, while **strife** represents strong emotions that can overcome your inner control. When you suffer strife, mark it here. When the strife you've suffered exceeds your Composure value, you become Unmasked!

- 6 **Vigilance** is your wariness and overall ability to notice things that could be a threat.
- 7 **Void points** will be available for you to use after the Interlude on the next page.
- 8 **Honor** represents your belief that you are upholding the values of Bushidō. Record any changes to it here.
- 9 **Glory** reflects your social standing in Rokugan. Record any changes to it here.
- 10 Track the **contest points** you achieve here. Your goal is to reach 8 points, and thus show your readiness to become a samurai!

INTERLUDE: SPENDING EXPERIENCE POINTS (XP)

During the Interlude, you gain 4 XP! You can spend XP to...

- **Increase one or more Rings:** Increasing a Ring value costs XP equal to twice the new value. So advancing from 1 to 2 costs 6 XP, from 2 to 3 costs 9 XP, and so on. Each upgrade must be done separately, so increasing a Ring value from 1 to 3 would cost 15 XP (6 XP + 9 XP). You can never increase a Ring value greater than your lowest Rings value + your Void Ring value. *Mark the new value in the entry space for that ring.*
- **Increase one or more Skills:** Buying +1 rank in a skill costs twice the new rank value. So going from 0 ranks to 1 rank costs 2 XP, from 1 to 2 costs 4 XP, etc. Each upgrade must be done separately, so going from 1 rank to 3 ranks would cost 10 XP (4 XP + 6 XP). *Mark the new value in the rank entry for that skill.*
- **Purchase a Technique—Lord Akodo's Roar (2XP)** You bellow a mighty cry at your foes, chilling their blood as if the founder of the Lion Clan himself were here! *If chosen, see the rules below on this page and place a check next to its title.*
- **Purchase a Technique—Striking as Earth (2XP)** This technique allows you to properly position yourself in the skirmish to lessen the blows of your opponents. *If chosen, see the rules below on this page and place a check next to its title.*

- 1
- You can now use **Void points**, which allow you to call on your inner strength and overcome impossible odds. While making a check, when assembling the dice pool you may spend 1 Void point to **Seize the Moment!** This allows you to roll 1 additional ■ ring die and then keep 1 additional die (of any type) when resolving the check.
- 2
- Techniques** represent advanced training that let you act in unexpected ways or exploit openings that others would overlook. You have two techniques available to purchase during the interlude.

IN YOUR TURN:

At the start of your turn, set your Stance if in a skirmish.

Then you can move 1 range band, and can perform one of the following **Actions**:

- Attack using Strike
- Move 1 extra range band
- Use a skill
- Use one of your new Techniques, if it is described as an action

You can also use your School Ability as part of making a check. This doesn't count as a separate action. You may also use a Technique if it isn't described as an action.

Enter the Emerald Empire with Akodo Masako!

You would be wise to select this character if you want to:

- Be an expert at martial combat and weapons of war
- Belong to a clan that focuses on battle and honor
- Solve your problems with preparation and flexibility

It would be unwise, however, to choose Akodo Masako if you desire to play a character who uses diplomacy to mediate problems, uses the inner power of *ki* to empower their martial arts, or wields the power of the elements.

Akodo Masako's Story

Akodo Masako and her twin brother Kiruhage have always been at odds. They even attended rival schools, Masako to the Akodo War College and hot-headed, brash Kiruhage to the *dōjō* of the Matsu warriors. Although Masako is the elder (by minutes), her brother made his *gempuku*—becoming a legal adult—first, and boasted that as he was a better swordsman than her, he should inherit their mother's holdings.

Masako agreed to settle the matter in a duel to first blood. They fought, and Kiruhage won—by cheating. To this day, she carries her bitterness with her. Her only goal is to become a greater, more famous, more honorable samurai than her brother...and then, finally, to destroy him.

When Masako was selected to represent the Akodo War College in the Topaz Tournament, it was as if the Fortunes had offered her the first step of her revenge. Now, she travels to Tsuma to bring glory to the Lion, achieve her *gempuku*, and claim the mantle of Topaz Champion for herself!
