Infantry Tactics	5	Package Cost	
Electrics	20	The Komando Spezialkrafte is Germany's first true special operations unit, having been formed in 1996 and expected to be operational in mid-2000. Heavily advised by the SAS and Special Forces, KSK personnel are believed to have deployed to the Balkans in support of Luftwaffe operations. Sixteen man platoons operate in four man teams with each man having a specialty (communications, demolitions, medical, and intelligence). Additional points should be spent to represent the appropriate skills and levels. Requires Fallschirmjager package to best represent skills.

The regional police forces are a professional force with very modern training and equipment (speeders are often captured on digital camera and mailed their ticket). Very polite and helpful until you mess with them, then they get you with their spring batons. Each of the sixteen States have their own force with slightly different organization, but there is a standardized recruiting requirement and all departments wear the same uniform, with variations in patches and ranks.

Special Einstaz Kommando
