CHARACTER SHEET

Your **Character Sheet** provides all the information you need to play the game. It also provides a place to write down your current status, weapons, armor, and equipment.

CHARACTERISTICS & SKILLS

1 Your characteristics are used to calculate many game values but are rarely used directly. Whenever you attempt a task that might fail, you make a skill check. The dice you roll for this check are called your dice pool, and are based on your rank in that skill and your characteristic. If you roll more ★ than ▼, you succeed.

2 Please reference these skills and descriptions of what they do on the back of the Rulebook.

SYMBOLS AND DICE

Success ★ symbols are canceled by Failure ▼ symbols; if there are any Success ★ symbols left, the check succeeds.

Triumph ☼ symbols count as Success ★ symbols and may also be spent to trigger a powerful positive consequence.

Advantage ☼ symbols indicate a positive side effect or consequence, even on a failed check. They cancel and are canceled by Threat ☹ symbols.

Failure ▼ symbols cancel Success ★ symbols. If there are enough Failure ▼ symbols to cancel all the Success ★ symbols, the check is a failure.

Despair ☹ symbols count as Failure ▼ symbols (they cancel Success ★ symbols) and may also be spent to trigger a powerful negative consequence.

Threat ☹ symbols indicate a negative side effect or consequence, even on a successful check. They cancel and are canceled by Advantage ☼ symbols.

CHARACTER HEALTH STATS

3 Your **Soak** score reduces incoming damage and can prevent wounds. Your Soak score is equal to the sum of your Brawn and the Soak value of your armor.

4 **Wounds** represent physical damage to your body. If your Wounds exceeds your Wound Threshold, you are knocked out and suffer a Critical Injury. Wounds can be recovered by the Medicine skill and Stimpacks.

5 **Strain** represents exhaustion, mental trauma, and being stunned. You may voluntarily suffer 2 strain to perform an extra maneuver on your turn. Strain comes and goes more quickly than wounds. If your Strain ever exceeds your Strain Threshold, you pass out.

6 You may suffer **Critical Injuries** during your adventures, either when you're knocked out by exceeding your wound threshold or as the result of an attack. Keep track of the number of Critical Injuries here. For a description of the effects of your Critical Injuries, refer to the back cover of the Adventure Book.

LONA'S STORY

Lona Tagro grew up on the brutal and unforgiving world of Iridonia. When she was 12 years old, her parents were killed in a dispute and she was left to fend for herself. To survive she had to take what she needed, and she quickly fell in with a band of misfits and criminals. It was during this time that she learned how to fire a blaster... and her cohorts learned what a natural she was. She could shoot a Zur off a branch from 25 yards... with either hand.

Lona honed her skills taking up odd jobs on the planet. She mostly smuggled goods, worked as a hired gun for one of the many "fine" establishments on Iridonia, or followed around some well to do offworlder as a bodyguard. Reflexes weren't the only thing about Lona that were quick, she was also quick witted, and her mouth sometimes got her into trouble. Before long, Lona Tagro was THE gunslinger you wanted on your payroll.

She carried a pair of matching Liquidsilver L7 blaster pistols, which became her trademark. Many locals referred to her as "Liquidsilver Lona", although none would dare call her that to her face. Some say that she acquired the weapons off of an unfortunate employer who refused to pay her for her services... she took the guns, and his life, instead.

Her talents and her reputation soon preceeded her, and this notoriety drew some unwanted attention. When she had several close calls with assassins, Lona knew that it was time to leave Iridonia and search for bigger opportunities. After hopping from system to system, Lona found a well paying job smuggling goods onto Lothal. She was unaware that she was about to set into motion a series of events that will change her life forever.
