THE CROWNLESS

Character Booklet

By: Marren J. T. MacAdam

Welcome CROWNLESS, dreamer

In the blank pages that follow will
live who you are. The stories you
tell, of course, will sprout from this
fertile ground, but here your
dreams will take root, Crownless.

Know my voice, my call, for am I
the WYRD. Your Votary be my
throat and you my sword.

You will be heroic. You will be
despicable. You will save the world
by damning it. You will honour me
as WYRD by butchering these
Pretenders, my twisted offspring.

But, most importantly
CROWNLESS, remember this: **You
will be human. Gloriously,
disgustingly human.**
