

Unbelievable! Chaos Lord can transform in swarm!  
When Lady Moonlight (see Lady Moonlight escape scenario) has revealed this to us i understood why he seems to appear fom nowhere , it just was the truth.... from nowhere !!

Lady Moonlight also localized Uthuk camp, go there and kill the Chaos lord !

## SETUP

put 3 swarm tokens on battlefield (place is indicated by lore tokens)

lore card swarm invocation is removed from Uthuk deck

Daqan is the first player

## SPECIAL RULES

Uthuk turn: before command step move one swarm token (considered as unit, the units rules applies)

if all the remaining swarm tokens are on the same hexe, chaos lord appears at this position with 2 damages by missing token

Uthuk wins 1 VP for each Daqan unit killed

When side is mentioned on card consider Uthuk zone inside blue circle and Daqan zone on and outside

Daqan turn: swarm tokens are considered as units and can be targeted, each token has 2 life points and no retreat or counter rules are applied for them

## OBJECTIVE

Uthuk: Reach 7 VPs

Daqan: Chaos Lord is killed (or swarm tokens are destroyed)
