

*Dear Aunt Ida, this will probably be the last letter I write as I'm sure to die in the upcoming battle. Lord Carlz told us we are the last defense before he fell in battle. With all the lords dead, I must lead the battle. If our strength fails the Uthuk will ravage the outer villages. There will be no retreat in the coming battle, and I fear my luck has run out.*

## OBJECTIVE

**Pure elimination.** The winner is the one who wipes out his opponent's force first.

## SETUP

The Uthuk start with 55 muster points. The Daqan start with 45 muster points in addition to the three units and command tent shown.

The Daqan player chooses one Citadel Guard to represent Bob. Place two 5VP tokens under Bob's base.

## SPECIAL RULES

Bob is the last figure in his unit to be removed (counting as weak), but the two VP tokens count as "hit points" being removed as casualties before he dies (so he takes 3 hits before being killed).
