

Chief Herman's

Next Big Thing

A compendium of several previously published Cheapass Games

Time marches on.

The world's most avid collector of free games presents a second huge package of his favorites.

Chief Herman's Next Big Thing contains three years' worth of free games, unpublished games, and unplayable games from James Ernest and the crack design team at Cheapass Games.

This package includes:

Hotel Transylvania
King of the Beach
Monster Builder
Dungeon Crawl
Queensland
Land Grab
Shipwreck!
Ten-Die Poker
Break the Bank
Graveyard Shift
Fight the Power
Headless in Seattle
Short Bus to Paradise
Board Game Project #55
and many, many more!

You Need: Six pawns, 70 six-sided dice in two colors, six dice of different colors, six decks of playing cards (Jokers optional), ten marker cards from your favorite game, a chessboard and pieces, a large bag of colored stones or candy, \$800 in Poker chips including 30 in each of six colors and a matching color die, blank paper, pencils, a pool table and sixteen balls, and more. But not all at once.
