

On a quiet and lonely night, the dead are beginning to wake. Nearly resembling their former lives as human beings, these creatures, these Lonely Dead shamle across the countryside seeking living flesh to satiate their perverse and rotting guts. There are soon reports that these beasts are not only ravenous and seemingly unstoppable, but contagious as well, as the ones newly dead but still partially intact rise up and follow their decaying kin toward fresh victuals.

As news spreads of this hideous and ever-growing horde, a small group of Survivors hunker down in an old building and wait in terror for the Zombie onslaught to commence...

Instructions for folding the conveniently-fits-in-a-pack-of-cards-sized **Quick Reference Guide:**

<p>Play - Continued</p> <ul style="list-style-type: none"> If Survivor rolls a number (individual or combined) that matches a value of one of their Items they may use that Item's effect and discard it to the Survivor Discard pile -Survivor's suit makes it so that 1 may be added to or subtracted from any dice roll (or their combined total) to use an Item with the same suit as the Survivor (a Survivors "Affinity") <p>Then...</p> <ul style="list-style-type: none"> Draw a card from Survivor Deck and place on relevant Survivor or Zombie Discard pile (see <i>Survivor Search</i> in Round -- Phase Order) If Survivors are infected, decrease their die now (see <i>Worsening Infection</i> in Round -- Phase Order and <i>Infection</i> section) <p>Ending</p> <p>The game is ended when the Survivors are all dead or the Horde (you) have no more matchable cards in hand or pile.</p>	<p>Misc. Wonderful Infections</p> <ul style="list-style-type: none"> If a Survivor is Infected by a Contagious Zombie or by a Zombie Joker, roll 1 D6 and place it on the Survivor being attacked along with a wound -During each <i>Worsening Infection Phase</i> (except the one during the round in which the infectious wound was received), reduce the die's value by 1. - If the Survivor's Infection die reaches 0, the Survivor is placed in the Graveyard, with their Items removed to the Survivor Discard pile. -If you kill the Infected Survivor <u>before</u> the die's value reaches 0, the Survivor becomes a Zombie Survivor and is placed, along with their items, in the Zombie Discard pile. <p>Zombie Survivors</p> <ul style="list-style-type: none"> When attacking with a Zombie Survivor, suits must be matched as before. Values: Jack - 11 Queen - 12 King - 13 Ace - 14 *Can be Contagious but not Strong <p>Jokers Discard from game after use Zombies Wounds and infects 1 Survivor Survivors Kills all in play Zombies</p>	   <p>The Lonely Dead by J.L.
