TIP

Gain 5 points at the end of the game.

SAPPHIRE STONE

Move up three spaces on your Nasty track.

DWARVEN AXE

Move down two spaces on your Chores track.

DWARVEN HELMET

Move down two spaces on your Kitchen track.

THE MICO'S PENCIL

Change one die on your player board to any number.

DWARVEN ALE

For the rest of this round, holding a Nasty Says card does not prevent you from placing dice on any spaces.

TALISMAN

When you draw a Nasty Says card, instead draw three cards, choose one, and reshuffle the other two.

DRAGON'S CLAW

Move every player down once on the Nasty track.

SAND CLOCK

You may use the Place Dice action any number of times on this turn.

HAMMER

Take the First Player marker.

BRACELET

Set aside the white die. Nobody can use it during this round, and you gain it next round.

MAGIC POT

Re-roll any or all dice on your player board.

MAGIC POT

Re-roll any or all dice on your player board.

THE MICO'S PENCIL

Change one die on your player board to any number.

ELVEN CUP

Take one of your placed dice and place it on a Cellar space. This does not count as a Place Dice action.

PIPE

Return one Ingredient card to its stack, and take one Ingredient card from any stack.

LANTERN

When you place dice on a Cellar space, take both Ingredients listed on that space.

ELVEN CHESS

When you complete an Order late, gain points as if you were late by one fewer round.

CLOVER

Choose an Ingredient. You gain 2 points for every player holding any cards of that Ingredient.

GLASS OF STRONGCLIFF

Steal an Ingredient from any player.

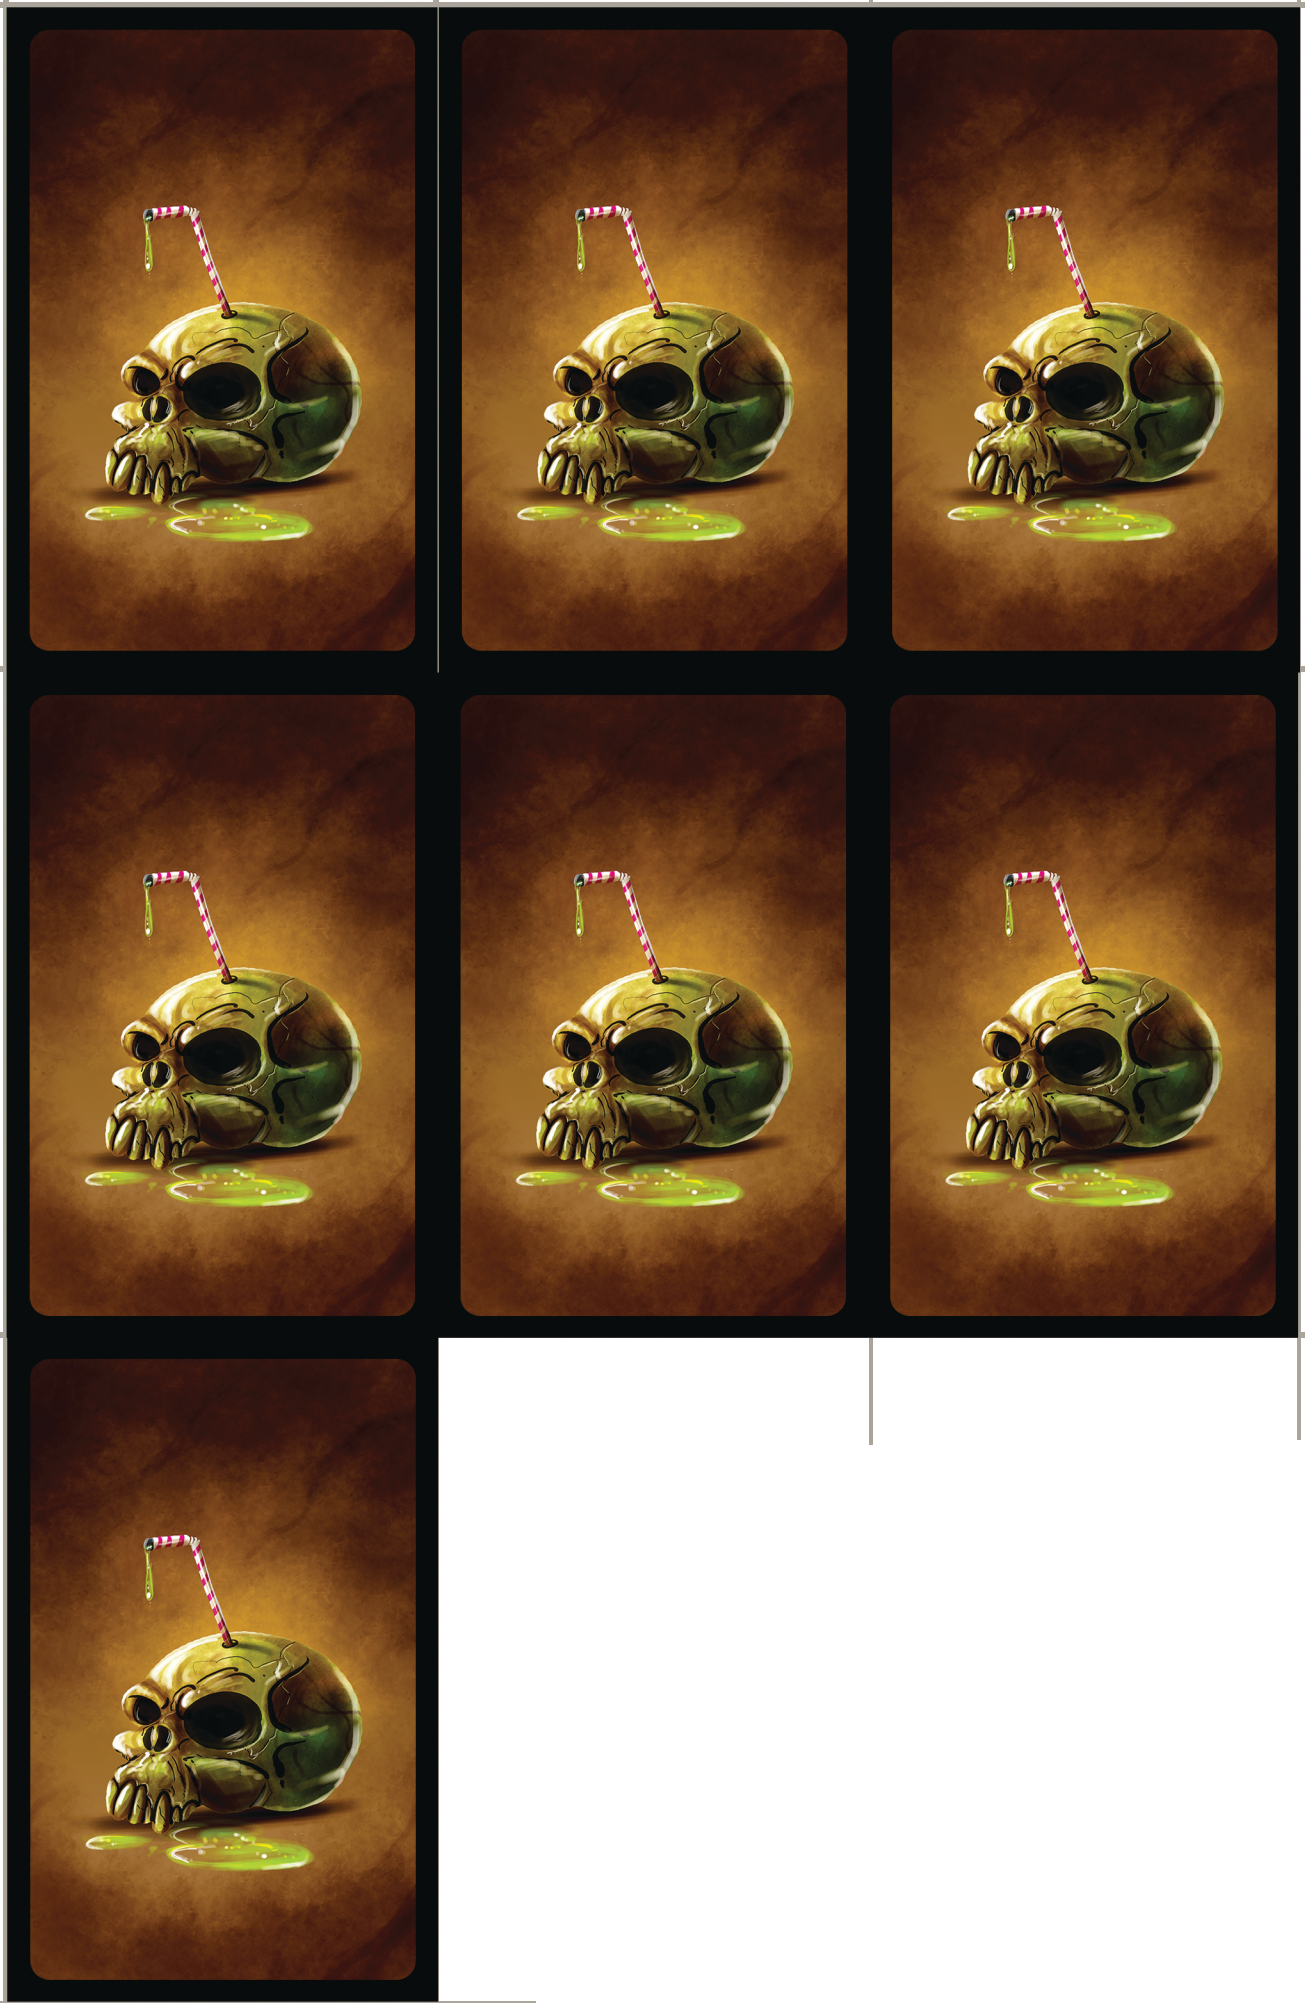

DWARVEN MUG

Choose an Ingredient. Player holding cards of that Ingredient must give you one card of that Ingredient.

YEAH, BRILLIANT!

"What is that? You're serving dinner without forks? What in the world is wrong with you?!"

Move up once on your Kitchen track.

DO CHORES

"Looks like you've got a bit of spare time. Well, this will get you occupied! Go do some chores."

Complete a Chore, gaining no reward for it.

GET OUT!

"Don't bother me—can't you see I'm taking a nap?! Get out of my office and go back to work!"

You got off easy this time. There is no punishment.

EVEN MY DOG WON'T EAT THIS!

"Eww! I told you to prepare dragon eggs, not dragon slime! What did you do? Cook them on a candle?!"

Move up twice on your Kitchen track.

DIRT EVERYWHERE

"What are you doing? You call this floor clean?!"

Move up once on your Chores track.

SHADY CONDUCT

"You've been acting very shady lately. I'll be keeping an eye on you!"

Move down twice on your Nasty track.

YOU'RE WASTING IT!

"Hey! Stop pouring so much in the drinks—you're going to bankrupt me! Give me that bottle!"

Return two Ingredient cards to their stacks.

INCOMPETENT FOOL

"Did you clean the tables? I get rashes just by looking at them!"

Move up twice on your Chores track.

GO IN THE KITCHEN

"Looks like you've got a bit of spare time. Well, this will get you occupied! Go help out in the kitchen."

Complete a Kitchen Task, gaining no reward for it.

GET ME A DRINK

"I'm a little bit thirsty. Make me a Sunken Dagger, and hurry up!"

Return Mead and Wine to their stacks. While holding this card, you cannot use the Complete Order action.

HIDING SOMETHING?

"Hmm... I think I'll put that to better use! Give me that!"

Discard an Item card.

GET ME A DRINK

"I'm a little bit thirsty. Make me a Dwarven Toast, and hurry up!"

Return Beer and Wine to their stacks. While holding this card, you cannot use the Complete Order action.

HELP OUT!

"I see your bar is full. That means you've not been working hard enough. Share it with your colleague—maybe they'll have some use from it."

Give two Ingredient cards to the player with the fewest points.

PASS AROUND

"I see your bar is full. That means you've not been working hard enough. Share it with your colleague—maybe they'll have some use from it."

Give one Ingredient card to the player on your left.

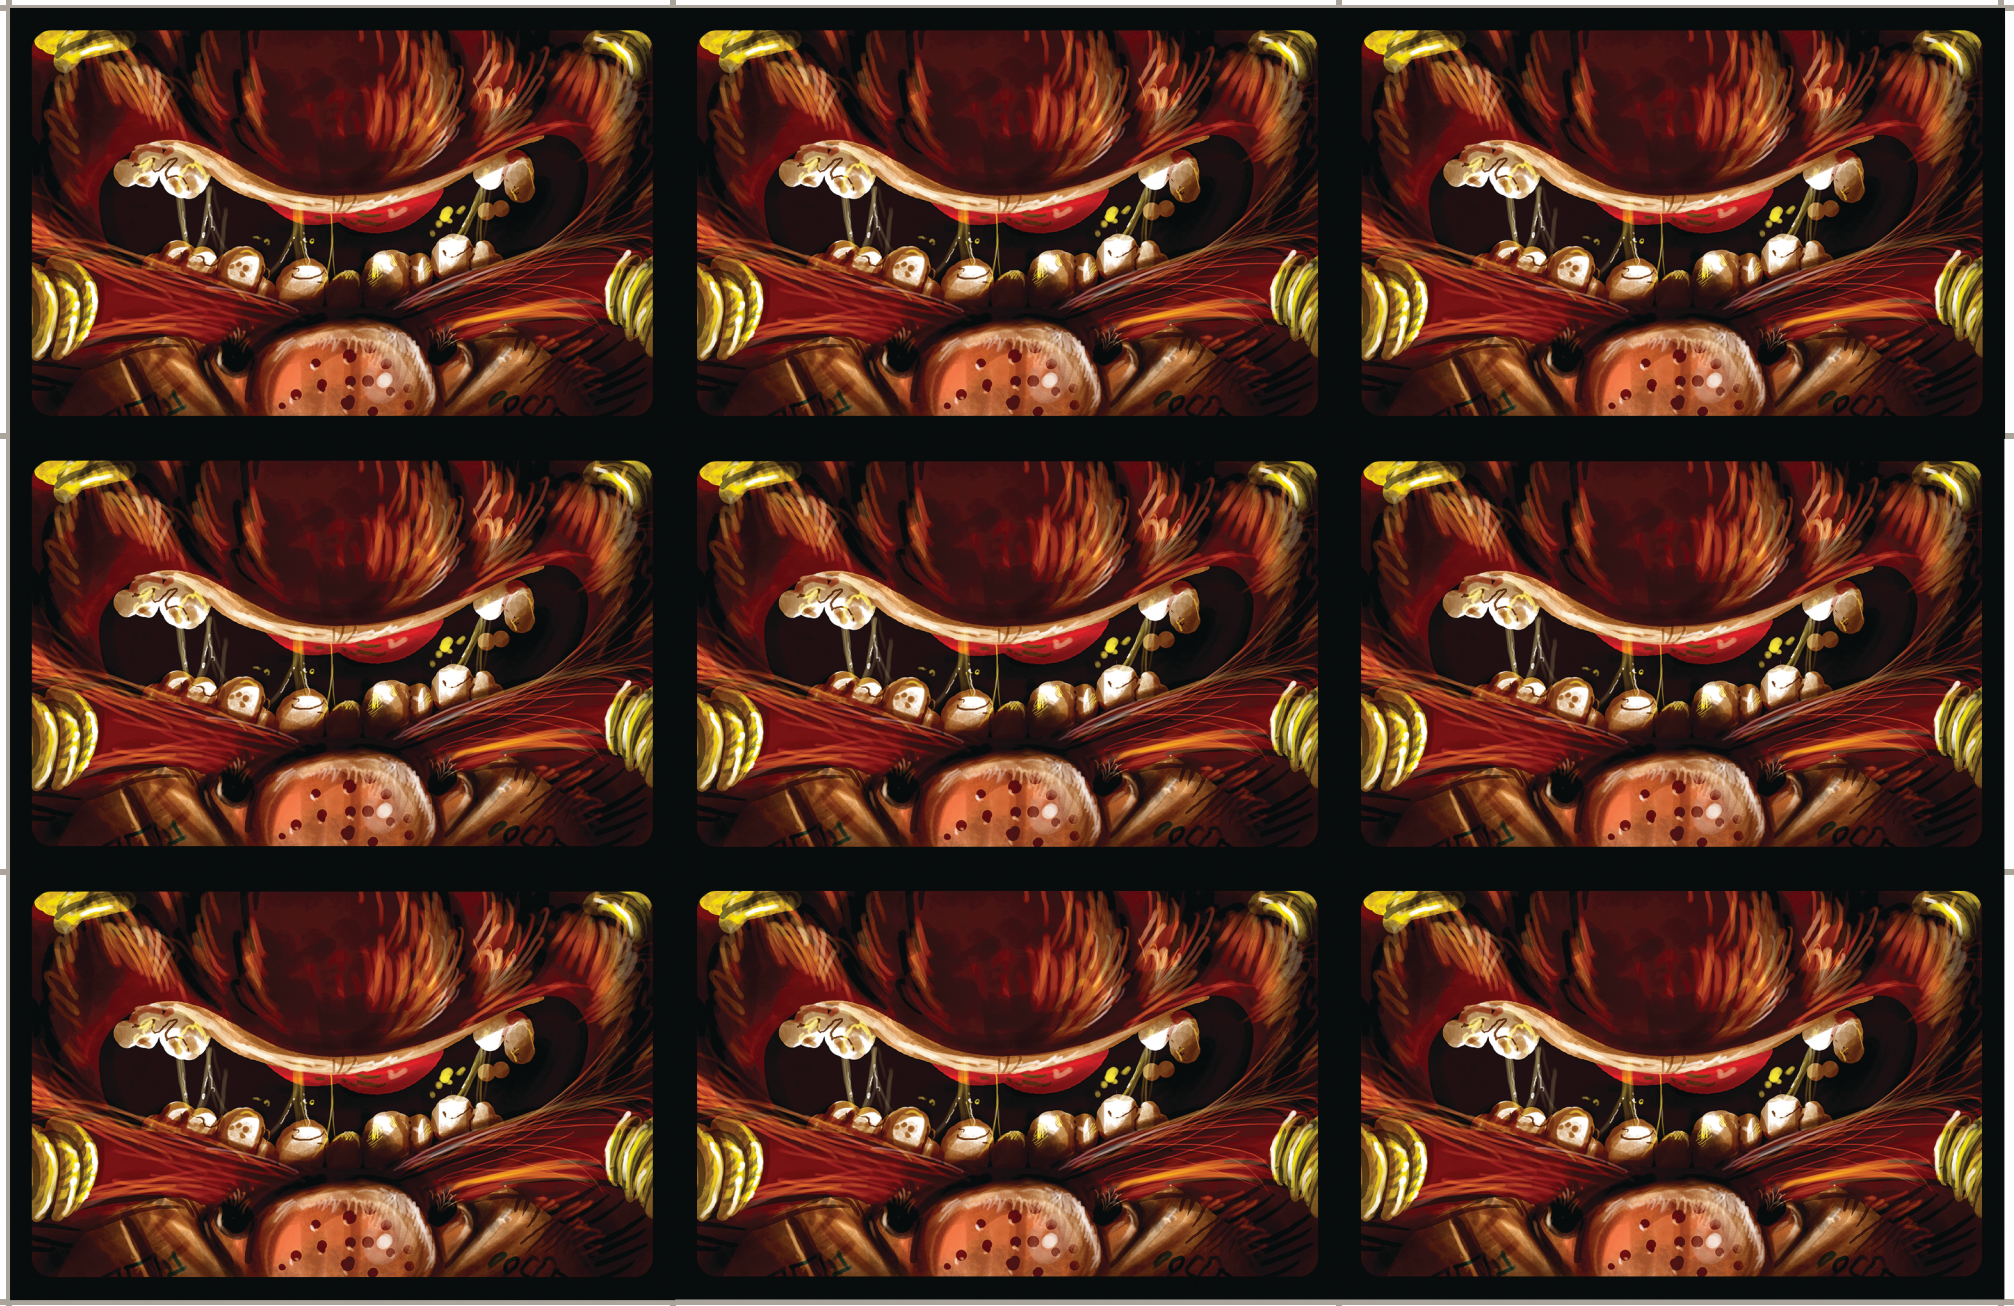

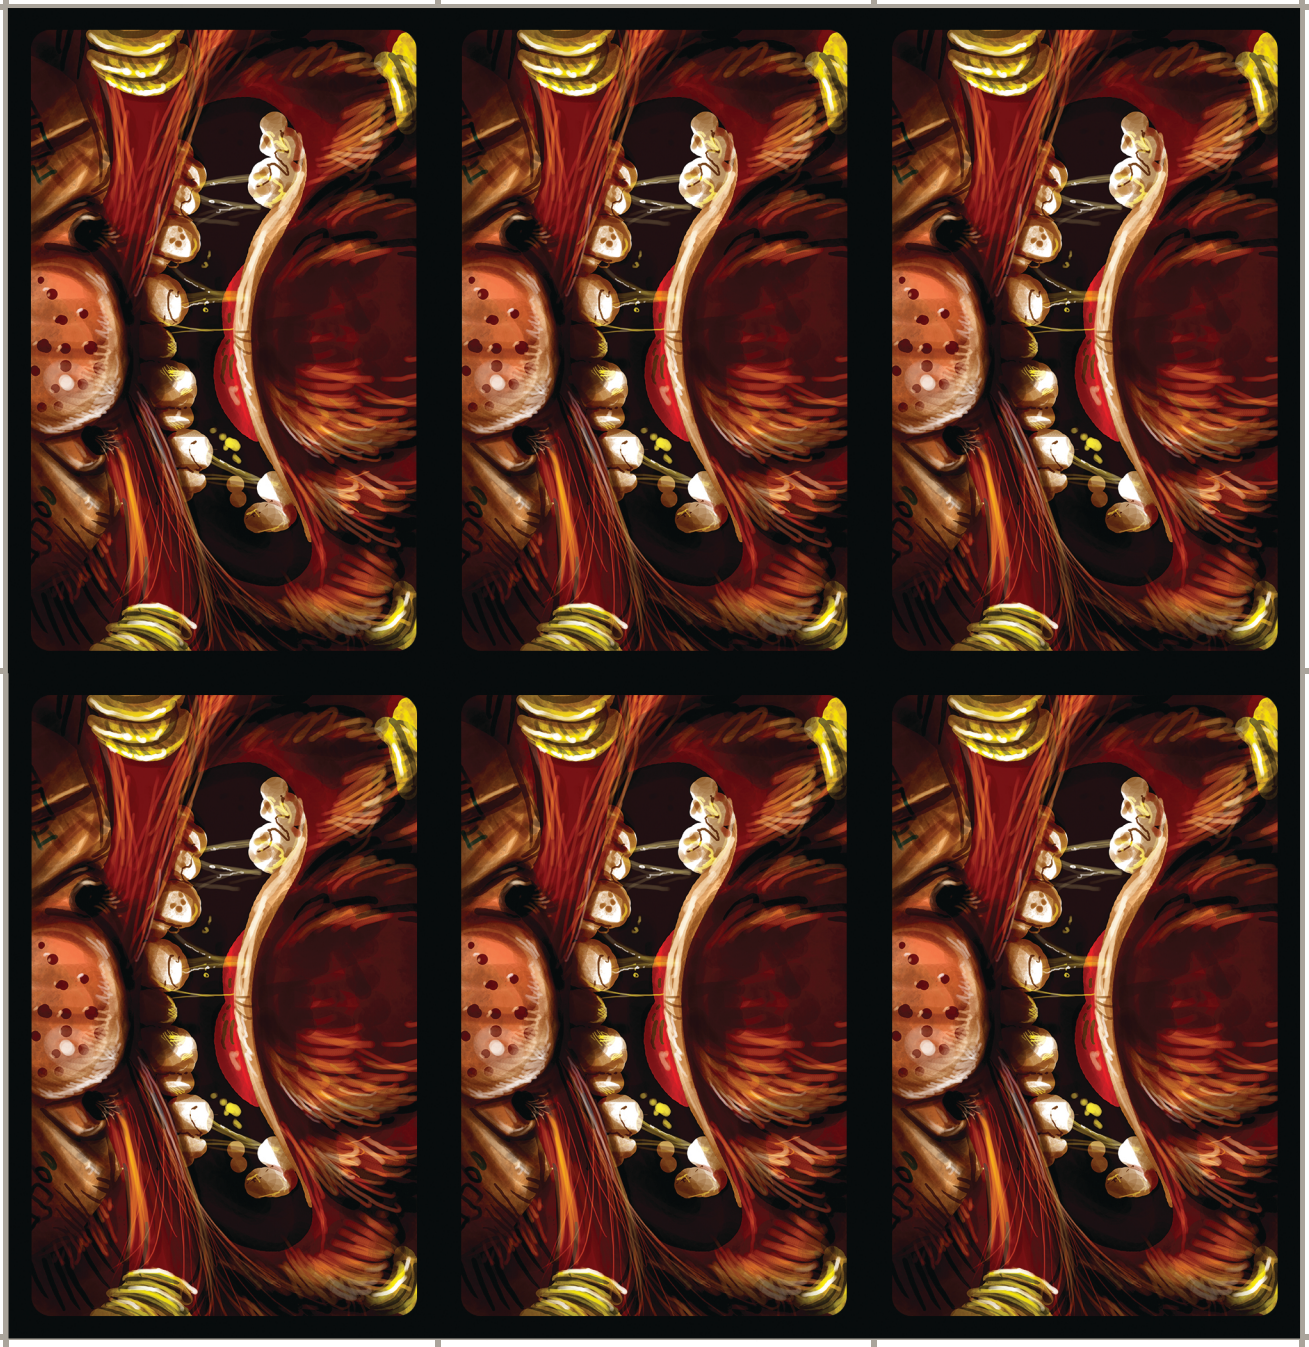

GET ME A DRINK

"I'm a little bit thirsty. Make me a Grape of Thrones, and hurry up!"

Return Nectar and Liqueur to their stacks. While holding this card, you cannot use the Complete Order action.

Magic Potion

"I've got a cellar full of fruit and it's starting to go bad. I'll throw in a little bonus for you if you get rid of it by the end of the night."

At the end of the game, you gain 4 points per every Fruit Ingredient in your completed Orders.

"Try to serve more Dwarves and Halflings tonight. You know they always carry a lot of gold. There will be something in it for you too."

At the end of the game, you gain 5 points for each of your completed Orders from a Dwarf or Halfling customer.

"I got this ambrosia very cheap. Help me sell it, and I'll give you a taste of the profit."

At the end of the game, you gain 4 points per every Ambrosia Ingredient in your completed Orders.

"The cellar's overflowing with herbs and they're all going bad. I'll throw in something extra for you if you get rid of them by night's end."

At the end of the game, you gain 4 points per every Herbs Ingredient in your completed Orders.

"This elixir makes me a lot of money, so make sure customers order lots of it. There's a little extra in it for you too."

At the end of the game, you gain 4 points per every Elixir Ingredient in your completed Orders.

"I've got a cellar full of beer. I'll throw in a little bonus for you if you get rid of it by the end of the night."

At the end of the game, you gain 4 points per every Beer Ingredient in your completed Orders.

"Try to hang around more in the kitchen tonight! Don't worry, you'll get your reward."

At the end of the game, you gain 3 points per space you have advanced on your Kitchen track.

"The Human and Elven realms are on the uprising, and they are very rich. They tip well, so tend to their needs. I'll let you have a taste of their sweet gold."

At the end of the game, you gain 5 points for each of your completed Orders from a Human or Elf customer.

"Help around with the chores and show everybody how it's done! You know I like a hard worker."

At the end of the game, you gain 3 points per space you have advanced on your Chores track.

"You know I don't like those filthy half-breeds, but their gold is more than welcome here. Help me get my hands on their coins, and I'll reward you well."

At the end of the game, you gain 5 points for each of your completed Orders from a Trobit or Green Elf customer.

"The guests are complaining that they're getting warm drinks. Put every drink that needs chilling on these river rocks. If they are satisfied, I'll reward you for your trouble."

At the end of the game, you gain 4 points per every Rocks Ingredient in your completed Orders.

"I've raised the price on mead, so try to sell as much as possible tonight. Don't worry, I'll give you a piece of the action."

At the end of the game, you gain 4 points per every Mead Ingredient in your completed Orders.

"This batch of wine didn't turn out very good. Try to slip it to more customers tonight, so we can get rid of it. I'll make it worth your while if you succeed."

At the end of the game, you gain 4 points per every Wine Ingredient in your completed Orders.

"Serving spirits gets everyone drunk faster, and the more they're drunk the more they spend. You know what to do! Do it right and I'll reward you accordingly."

At the end of the game, you gain 4 points per every Spirits Ingredient in your completed Orders.

"This nectar makes me a lot of money, so make sure customers order lots of it. There's a little extra in it for you too."

At the end of the game, you gain 4 points per every Nectar Ingredient in your completed Orders.

"Liqueur is the surest way to get the customers drunk, which means more money for us. You know what to do! Do it right and I'll reward you accordingly."

At the end of the game, you gain 4 points per every Liqueur Ingredient in your completed Orders.

"I got this syrup at a rock-bottom price. Help me sell it, and I'll give you a taste of the profit."

At the end of the game, you gain 4 points per every Syrup Ingredient in your completed Orders.

"The Tavern looks really busy tonight. Stay on your feet and try to serve as many orders as possible, and maybe I'll reward you for your effort."

At the end of the game, you gain 3 points for each of your completed Orders.
