Zombie Elf – Keith Curtis	Dragon Bronze – Malcolm McClinton

Some line art is by “Robot with a Smile” (Michelle “Shelly” Soneja and Marvin del Mundo) based on color art by artists listed above.

Layout: Joe Wetzel

The art for this coloring book is from two monster art projects on Kickstarter by Inkwell Ideas. We've picked 32 dragons and undead for this book. We also picked art that was good for coloring. (Some of the line art was not appropriate for coloring for one reason or another: too much shading, too much detail, etc.)

Permission is granted to print copies of the art for personal use only.
