WEIRD HARVESTS!

Country livin' will never be the same! This 56-card supplement, illustrated by the amazing John Kovalic, raises a new crop of monsters and whackers for *Munchkin Cthulhu*. Bash the Sheep Ones with the Rolling Pin, squash the Arkhamster in the Churninator, and keep Cowthulhu in check with the Super Duper Pooper Scooper.

Call of Cowthulhu also adds *Madness* cards . . . like Curses, but every Madness has its advantages as well!

## THIS IS AN EXPANSION FOR *MUNCHKIN CTHULHU*. IT IS NOT A STAND-ALONE GAME.
