96-00	Other (Arabya, Cathay, etc.)*

*About these area's so little is known that I did not feel I could even come up with a home made career list. For now; reroll these results.

** These area's do not have sourcebooks devoted to them yet, but there is sufficient coverage in other material that a very provisional career list could be made, though it might take a while before I get around to it.
