

Warmaster Campaign Map Tiles

To use these tiles for your Warmaster map campaigns simply, print out, stick to thin card and then cut them out. Warning: printing every page in this file out at once will use large quantities of your printer ink. You can use your printer preferences to choose which pages to print out. So, for instance, if you only need a sheet of Highland tiles, rather than printing out the entire file simply select pages 3-4 to print. All material contained in this file is copyright © Games Workshop 2007. Use with permission for personal use only.
