

3 Inch Brig Entrance Wall Sections (Bottom wall is a mirrored version of the top wall)

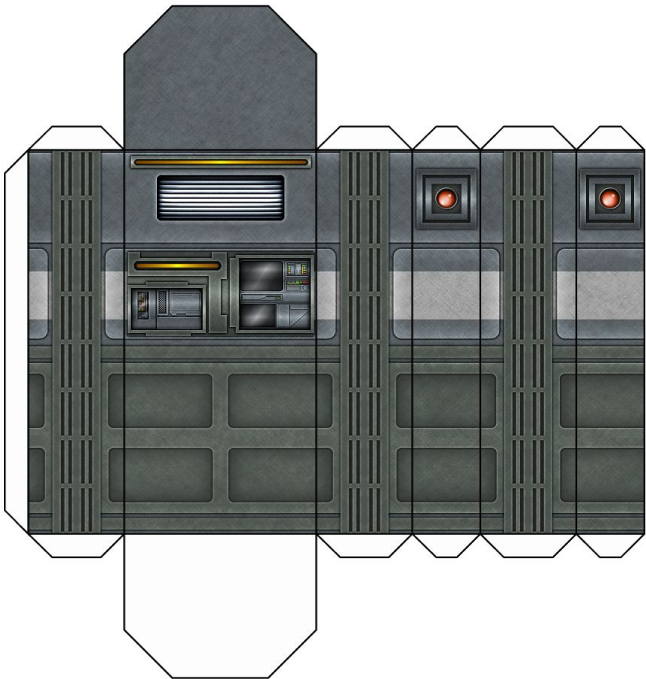

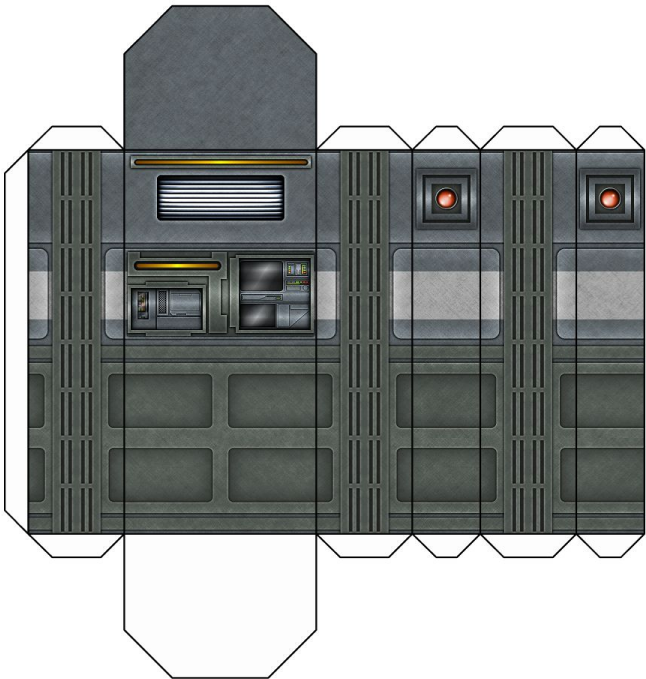

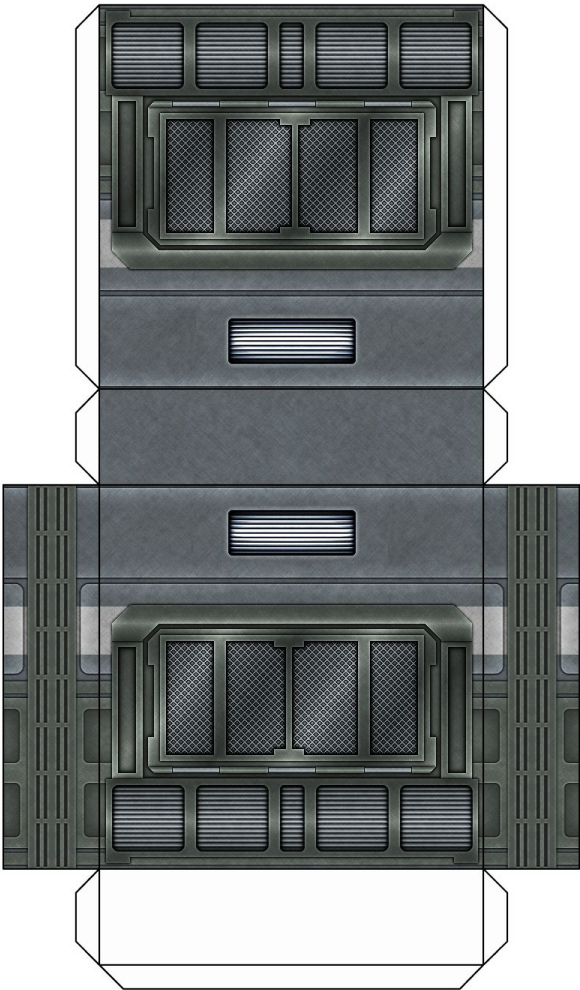

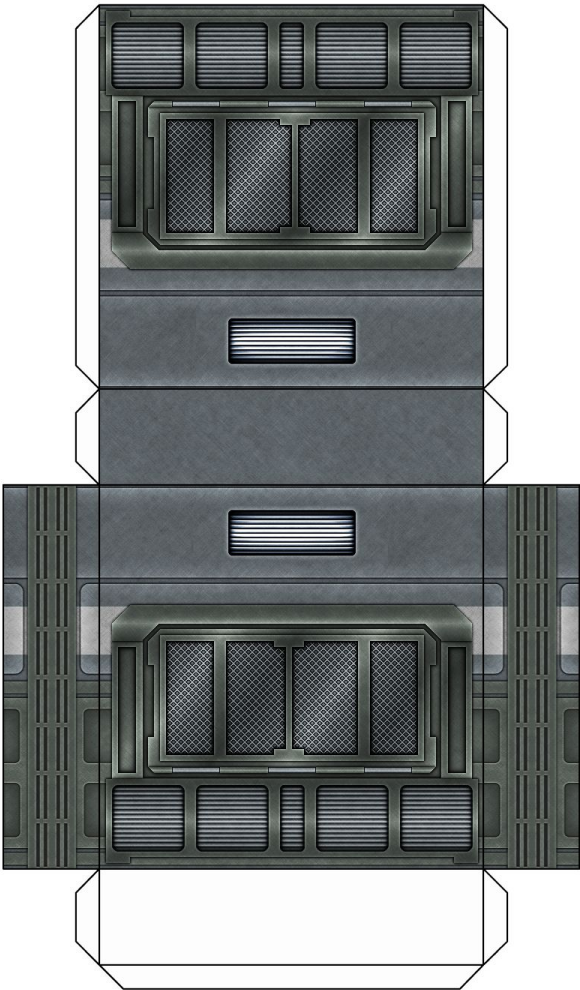

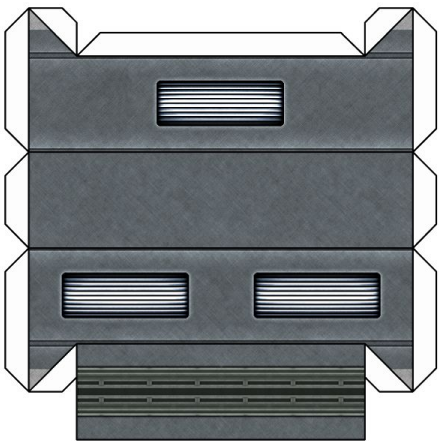

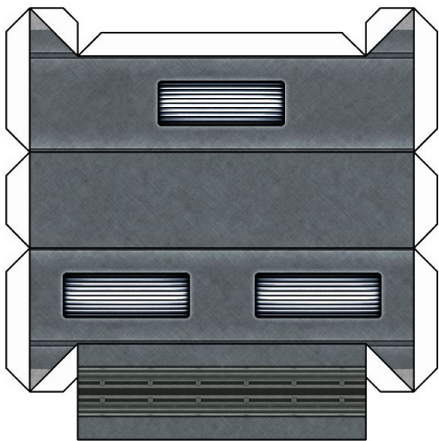

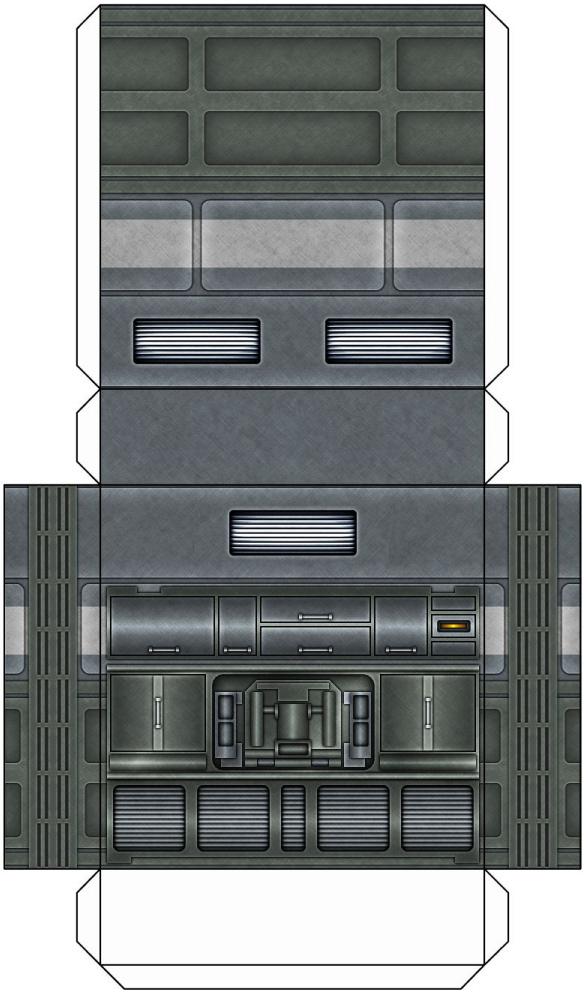

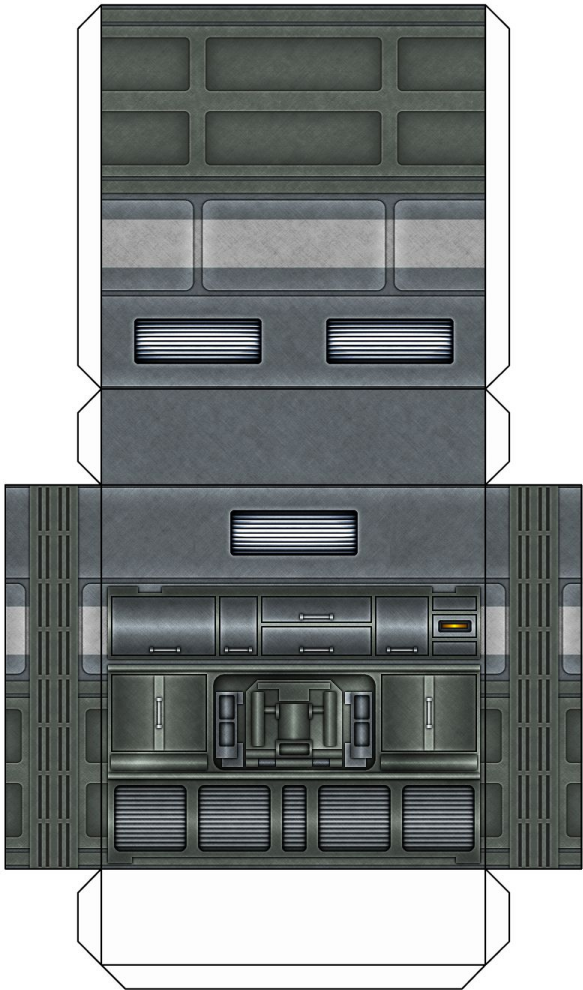

2 Inch Double Sided Brig Guard Station Wall Sections

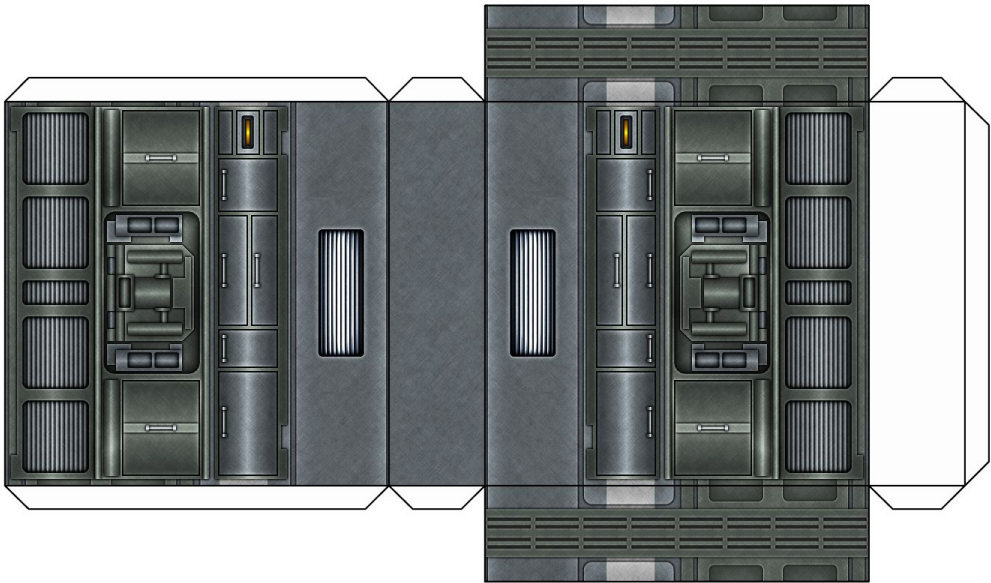

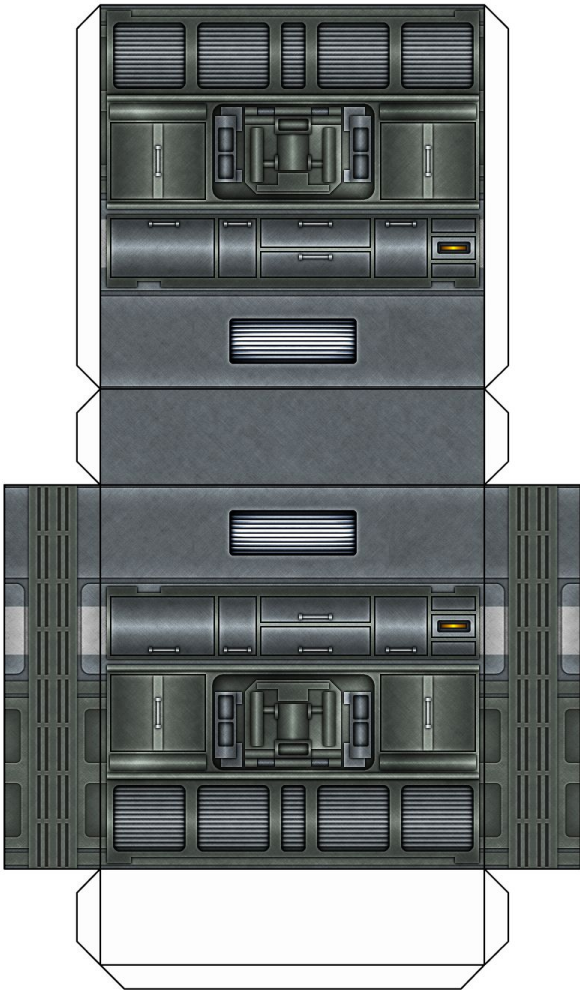

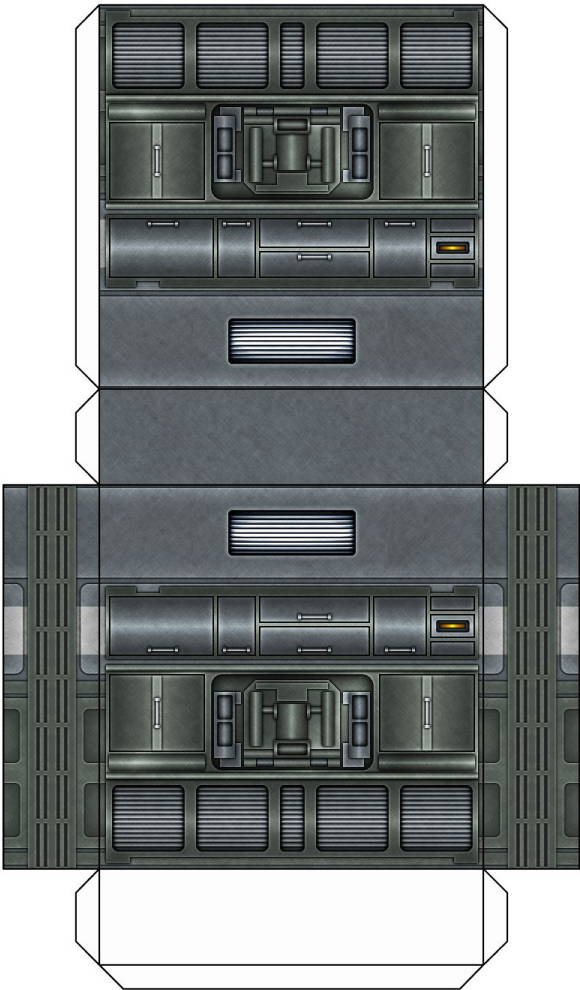

2 Inch Cell Walls (Bunks) and Cell Doors

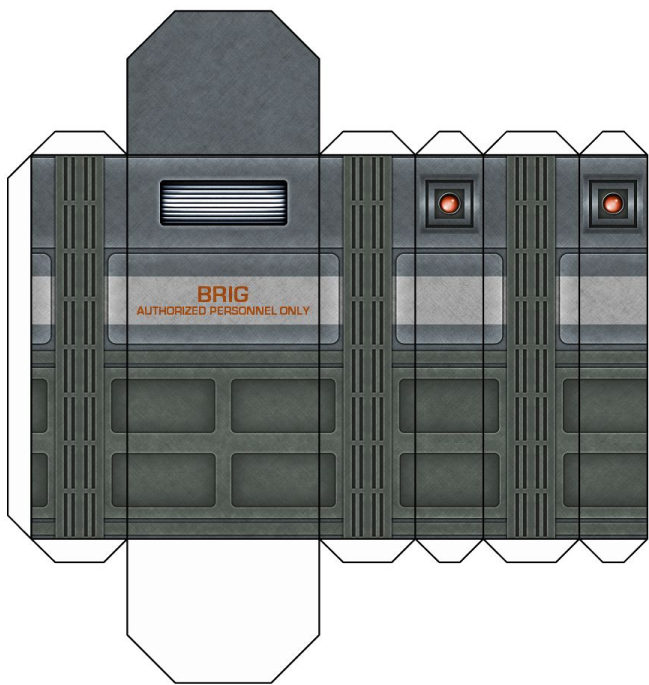

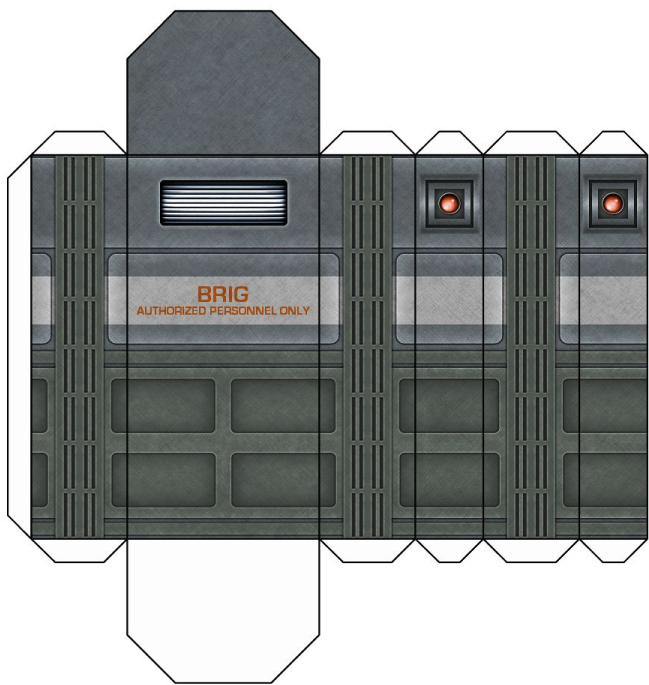

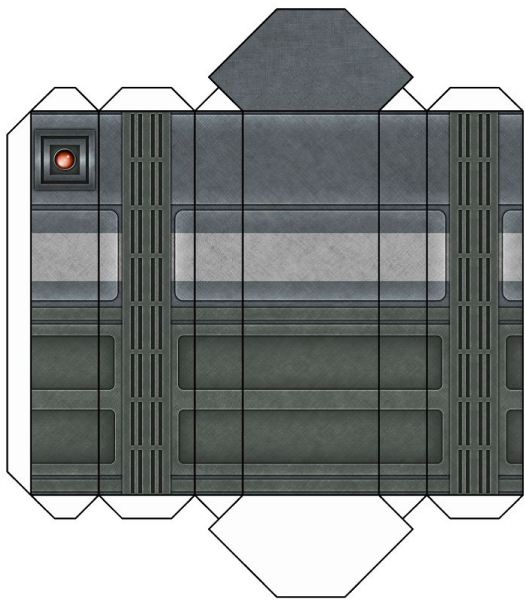

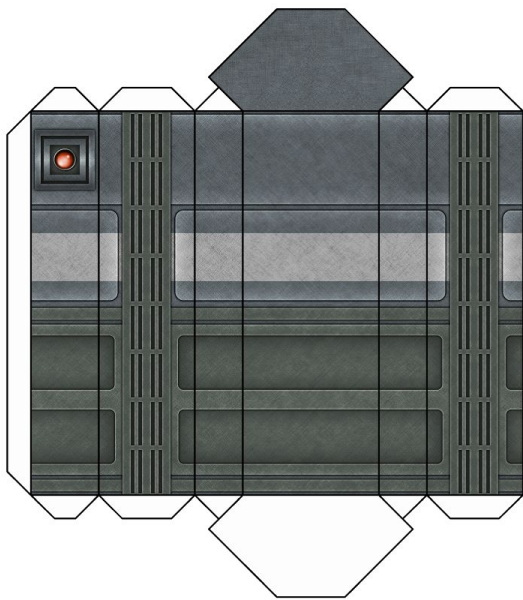

2 Inch Double Sided Cell Walls (Bunks) and Cell T-Junctions

2 Inch Double Sided Cell Walls (Lockers and Toilet)

1 Inch Angled Camera Walls and Brig Entrance T-Junctions (Use these T-junctions instead of the corner 1 inch angled walls to extend brig layouts from 7x7 to 7x10, replacing one of the 2 inch guard station walls in the example layout with a 2 inch doorway, then adding another row of cells)
