

More Oddities

by Ryan Chaddock

Numenera is copyright Monte Cook Games, LLC

- 1 Ring that when worn puts you to sleep instantly, if you wish to be.
- 2 Smooth green stone that when palmed causes strange music to play in your mind.
- 3 Two meter square of indestructible fabric, which can be folded to the size of a 1 centimeter cube.
- 4 Ceramic toy humanoid that dances when you clap.
- 5 Cube of synth that emits a loud noise when you throw it.
- 6 Glass container full of weightless sand.
- 7 Beautiful amulet that hums whenever you face or travel south.
- 8 Seven blue crystals which float in the air around each other once per day.
- 9 Jug of clear dye which turns skin purple permanently, but stains nothing else.
- 10 Small crystalline statue of a dog which barks whenever the bearer is attacked.
- 11 Three glowing stones that stick to flesh.
- 12 Small synth ball that never stops bouncing.
- 13 Strip of black cloth that, when wrapped around the eyes and head like a blindfold, cause the wearer to be unable to hear.
- 14 Necklace that flashes with light every three seconds.
- 15 Pair of boots that seem to want to take you somewhere.
- 16 Golden bracelet that weighs 50 kilograms, inscribed with strange symbols.
- 17 Metal cylinder that sparks when pressed to wood- starting fires.
- 18 Self-cleaning metal utensil that chimes at dawn.
- 19 Plastic cup that makes water taste salty.
- 20 Headband that causes your body to attract dust.
- 21 Two parallel disks that always remain 10 centimeters apart.
- 22 Ceramic eye that turns and looks at the closest person to it.
- 23 Metal rod that sticks to any surface while you hold it.
- 24 Square plate of glass that shows images of animals you've never seen.
- 25 Unbreakable glove of metal and synth.
- 26 Disk which when squeezed generates a translucent, but solid, chair nearby for one hour.
- 27 Golden, weightless, egg shaped object.
- 28 Remote control that allow you to make lightning strike in the distance during a storm.
- 29 Ugly shirt that cleans and folds itself.
- 30 Octagonal plate that fills with unknown writing when someone speaks.
- 31 Small metal sphere that constantly makes random computerized noises at high speed.
- 32 Shimmering crystal with the image of a dragon inside it.
- 33 Injector which gives the subject a feeling of accomplishment when pressed to skin and activated.
- 34 Metal box that turns objects permanently white if placed inside and the lid is closed.
- 35 Three meters of a sticky ropelike substance.
- 36 Puddle of liquid metal that follows you around like a pet and obeys simple commands.
- 37 Large shoulder pads that make your body shimmer with golden light when worn.
- 38 Goggles that allow you to see as clearly underwater as though you were on dry land.
- 39 Blue ceramic sphere that causes all of your hair to fall out when you touch it.
- 40 Shallow bowl that fills with an edible red sludge five times a day.
- 41 Disk that projects a life-sized holographic image of a horse.
- 42 Fleishy mask that makes you look and talk like your closest friend.

- 43 Metal knife that can instantly cut through any wood, but nothing else.
- 44 Metal cowl that keeps your head cool at all times.
- 45 Wrist band that makes your hand invisible when worn.
- 46 Amulet that speaks for you before your mouth can, in an elegant voice.
- 47 Single shoe that has traction on any surface.
- 48 Synth eye patch that displays images of your parents on the inside when worn.
- 49 Armband that causes you to cast no shadow when worn.
- 50 Long sheet of plastic that feels as soft as a bed when laid upon.
- 51 Empty metal tube that constantly blows warm air through it.
- 52 Small metal device which reminds you of the last thing you planned to remember, when you activate it.
- 53 Translucent holographic image of a fish that can be carried around as though it were an object.
- 54 Music box that plays a chiming version of the favorite song of whoever opens it.
- 55 Piece of inflammable paper that erases itself every night.
- 56 Set of five plates that cannot be taken more than five meters away from each other.
- 57 Paintbrush that turns all paint used with it into a strange color no one has ever seen.
- 58 Disk that displays images of an alien world.
- 59 Tan cloak that writhes as though alive and screams when damaged.
- 60 Synth mat that is warm at night and cool in the day.
- 61 Pair of handles which allow you to walk without moving your legs, gliding along the ground.
- 62 Belt that grants you the rudimentary reflexes to dance in a very odd style while worn.
- 63 Floating globe that lights up when you take a bow.
- 64 Small container of effervescent liquid. It smells delicious.
- 65 Mask for your mouth that allows you to speak to beetles and scorpions (they can't speak back usually).
- 66 Metal nodule, when placed on the neck, makes you experience a brief memory of piloting a starship orbiting the earth.
- 67 Pair of synth sandals with metal hooves for soles.
- 68 A pair of short, silvery wings that can attach and detach from your shoulders.
- 69 Jewel which glows in the presence of dangerous radiation.
- 70 Handheld device which indicates your distance to the Iron Wind, when you read it right.
- 71 Pair of headbands which allow sleepers to share and participate in the same dream while wearing them.
- 72 Yard long bar of utterly indestructible metal.
- 73 Two square yards of invisible cloth.
- 74 Pen which writes in a different color depending on your mood.
- 75 Shimmering, heavy coin with unfamiliar writing on it.
- 76 Chalice that can hold three times its apparent volume of liquid.
- 77 Magnetic badge which, when worn, alerts you mentally when someone you know comes within 25 meters of you.
- 78 Collar which allows you to convincingly imitate seskii howls and growls.
- 79 Ceramic beetle which becomes animate and cleans the floor around you while you sleep.
- 80 Circular stone which causes you to smell like flowers while carrying it.
- 81 Pair of utensils which make food spicy, and physically hot.
- 82 Oddly shaped device which projects a blue laser at a particular star when it's visible in the night sky.
- 83 Red contact lenses that shield your eyes from intense light.
- 84 Canister with 20 pills that cause you to feel optimism when one is ingested.
- 85 Skintight jumpsuit that gives you 3 points of Armor against acid damage.
- 86 Nodules which, when placed on the temples of the head, allow you to detect the direction of the nearest dead person.

- 87 Spray canister which releases a gas that induces calm in rodents.
- 88 Tube of gel which relieves pain on the skin of most people and induces labor in pregnant women.
- 89 Pair of earrings which make your eyes glow whatever color you concentrate on while worn.
- 90 Large box with its own weather systems inside- often rainy.
- 91 Bandages which enhance the size and permanence of scars.
- 92 Metal dial that points to the nearest road.
- 93 Arm and leg bands which cause electricity to dance across your body at all times.
- 94 Glass rod that translates everything you say while holding it into a language you've never heard.
- 95 Glove with three large fingers that puts out any small fire you touch with it.
- 96 Loamy smelling backpack that adjusts its own straps for you when you put it on.
- 97 Square plate covered in dials and buttons which makes noise and light whenever anyone speaks near it.
- 98 Handled rod made of crystal which removes rust from objects using bursts of sound when you point it.
- 99 Messenger bag with many pockets, one of which holds a rotating (simulated?) galaxy.
- 100 Gem which changes color every morning.
