***Quagaloogal Lizardfolk***

For saving and befriending Thalatha and the Quagaloogal Lizardfolk clan, you receive their favour. You learn that they are an ancient peoples who have lived quietly around the shores of Lake Quag since before the manfolk came and built their great temples. It is possible that they could know many ancient secrets and they obviously have great skill at living around the lake.

By accepting their offer to join the clan, you learn many things which may help you. However, as part of the initiation ritual, you do receive a number of ritualistic scars and tattoos in various visible areas of you body.

Having spent 4 Time Units for ritual initiation into the clan you receive the following benefits:

- -2 circumstance penalty to Disguise checks due to the ritual scarring involved.
- You may take levels in *Quagala* (as per King/Queen of the Wild - Marsh [MotW])
- You may take the feats of: Dwarf's Toughness [MotW] and Multicultural [S&S].
- +4 circumstance bonus to Wilderness Lore checks around the shores and marshes of Lake Quag.
- One permanent Influence Point with the Quagaloogal Lizardfolk. This influence bestows a +4 reaction modifier whenever you encounter the clan.

This Cert is void if used for any other organisation (such as Auszug promotions or Old Kerk) as it requires you to betray their trust and no further benefit can be obtained (but the Disguise penalty still applies!)
