Cross out any game effect this character doesn't gain.

☛ **Diary of Wilz** - (Market Price: 0 gp; Frequency: Adventure): This diary once belonged to a human man, perhaps about twenty years old, named Wilz who resided in the village of Dunharrow. The diary contains many passages about a young human lady named Dawana.

☛ **The Book of Gruesome Deaths and Heinous Murders** - (Market Price: 50 gp; Frequency: Adventure): The book has a jet-black cover with the writing composed of blood. The tome's text is written in Infernal. Characters might have the ability to read Infernal in order to gain the circumstance bonuses the book provides. This text gives the owner a +2 circumstance bonus to Knowledge (religion) skill checks involving the unholy faith of Nerull. If the owner of the text does not possess the Knowledge (religion) skill, that individual can still make a Knowledge (religion) skill check for matters involving Nerull without the +2 bonus mentioned above. It takes at least 5 minutes of reading to gain the bonus. The book must be read for no less than 5 minutes before the check.

☛ **Divine scroll of knife spray** - (Market Price: 150 gp; Frequency: Adventure)

☛ **Divine scroll of sword stream** - (Market Price: 375 gp; Frequency: Adventure)

☛ **Recommendation for the Principality of Ulek Army** - (0 gp; +; no; unusual; -): For helping deliver the note from Fort Stonewall to the city of Thunderstrike, Commander Rond Stockbelly has given the character a recommendation to join the army if they should ever decide to do so. If the character is already a member of the Principality of Ulek army, this certificate serves as a commendation. This certificate can only be received and retained by a character whose home region is the Principality of Ulek.
