☛ **Slayer of the Traitor:** You have killed one of the most powerful wizards to have walked the Flanaess since the fall of the Suel Imperium. Such personages do not usually permanently die at the first attempt and no doubt he has marked you for revenge.

☛ **Blood of Vathris:** You were present when the god Vathris died. Such an act on his part is an example of self-sacrifice and nobility seldom seen in the Flanaess. Consequently, you may once, as an immediate action, cast *shield other* (CL 20) on a companion within range. Additionally, as a special condition of using this favour when you cast the spell, you can choose to take 50%, 75%, or 100% of such damage. Once you have made this choice, you cannot change the amount of damage you accept.

☛ **Honored of the Empire:** Rary acknowledges your wisdom and perspicacity for aiding him in unmaking the *Scorpion Crown*. He names you "Honored of the Empire" and provides you with a sumptuous dwelling close to his tower. He pronounces you his great friends and may ask you in the future to undertake tasks he can only trust to those beyond suspicion and reproach. Finally, this AR item may unlock you a final AR.

☛ **Boon Companion of Tenser:** Tenser's joy at your deeds knows no bounds. In recognition of your incredible feat, he opens the Fortress of Unknown Depths and the village of Magepoint to you. He assigns you quarters within the castle and provides you access to his considerable resources. Additionally, he invites you to join his fledgling organisation – the Citadel of Light –, which is dedicated to fighting evil throughout the Flanaess. Entry to this august body is by invitation only and is truly a great honor. Finally, this AR item may unlock you a final AR.
