☛ **The Blue Blight:** Only PCs who did not succeed in the Joramy Ceremony continue to be afflicted by the Blue Blight beyond this adventure. Drelnza casts *bestow curse* on the affected PC. The blue blight immediately causes a large, blue, glowing pustule to coagulate on the right side of the victim's face. This pustule immediately drops the victim's Charisma ability score by -6. This drop in Charisma affects everything about a PC that can be affected by a drop in Charisma (including spellcasting ability). The effect is immediate. Drelnza's curse is cast at 18th Level. Therefore, the PCs can only break the curse by casting (or having an NPC cast) one of the following spells (at 18th level) upon the afflicted PC: *break enchantment*, *limited wish*, *miracle*, *remove curse*, or *wish*.

☛ **The Perrenland Medal of Valour:** This medal is given by the Voormann to all those PCs who saved Suzzianna von Oostmeeren and succeeded in the ceremony to stop Hell's Gloom. The medal has the face of Great Perren on one side, and the Perrenland Coat of Arms on the other. The medal takes up an *amulet slot*. When worn, the adventurer feels braver (and more alert) than normal and allows the PC to re-roll *one* initiative roll per Perrenland regional adventure. The second roll must be chosen. This initiative re-roll expires one year from the date earned. Those who wear the medallion are called "Perren's Elite" and it is said that he watches them from the afterlife.

☛ **Blessing of Pelor:** Any PC who spent a total of 100gp x APL on foodstuffs, sanitary items, or donations during this adventure gains the Blessing of Pelor. Once per Perrenland regional adventure, as a swift action, the PC can call on Pelor to grant him/her an extra 2 hit points per level in temporary hit points. The extra points last for 12 hours or until used. This ability expires one year from the date earned.
