• **Gift of the merchants of Schwungelstad:** The grateful members of the Schwungelstad Commerce Guild have presented you with a monogrammed set of skis. The skis bear a picture of the Skiing Ogre and your name and the inscription "Schwungelstad CY596". The skis are granted free of charge but are otherwise identical to those listed in *Frostburn*, p.78.

• **Gott Renkart's Favour:** The weaponsmith Gott Renkart has offered to reforge Bubba's adamantine morningstar into your choice of any medium melee weapon (or 50 masterwork arrows/bolts). The weapon will cost the standard amount including adamantine costs.

• **Mark of the Fey:** The affected character has suffered some kind of close encounter with the magic of the fey ritual. For the next three Perrenland adventures, when casting any arcane spell, the PC suffers 1 point per spell level of subdual damage but gains a +1 bonus to their caster level. At the beginning of every day this effect may be suppressed for 24 hours by making a DC 13 Will save.

• **Regard of the Faeries:** For your assistance in trying to make right what the faeries unleashed upon the town, the faeries will hold an item of your choosing for you to pick up in the future. The selected item must be one starred in the list below. You are considered to have regional access to this item, but the faeries do have a liking for gold, so normal costs must be paid. Write the name of the item you select at the time you receive the favour:

• **Favour of Tiegl Brockenbord:** For your part in the rescue of many of the citizens of Schwungelstad, Tiegl has arranged through his family and Auszug connections for you to have access to the armour enhancement ghost touch for one suit of armour. For members of Perrenland's military, Tiegl has also arranged for you to have access to the same enhancement on a single melee weapon of your choice. The enhancements have the normal costs; cross off this favour once it is used.
