Cross out game effects not gained.

**Geas:** For refusing to guard the secret of Ringland by remaining silent, you have been geased. The spell has been cast by a 13th-level cleric and worded so you must not speak of Ringland or any details you learned during this event to anyone. If you speak of Ringland, you suffer under the effects of the geas until you take actions to fix any damage you may have caused, if possible.
