☛ **Lesser Favor of Deerskin:** For attempting to save her unicorn friend, the ancient elven druid Lady Deerskin grants you a token. It is a small dark cocoon. When crushed (an immediate action that does not provoke attacks of opportunity) it duplicates the effects of the *rejuvenating cocoon* (Complete Divine, page 177) as cast by a 17th level druid. Cross off this favor once it is used.

☛ **Greater Favor of Deerskin:** For returning, alive, her abducted unicorn friend, as well as the young girl and for additionally destroying the shadow carnival that had wrought so much destruction, Lady Deerskin has granted you a token. It is a small pale cocoon. When crushed (an immediate action that does not provoke attacks of opportunity), it duplicates either the effects of the *rejuvenating cocoon* spell (Complete Divine, page 177) or the *cocoon* spell (Spell Compendium, page 49) as if cast by a 17th level druid. Cross off this favor once it is used.

☛ **Fortune Favors the Bold:** As a boon from your journeys into the strange demi-plane of the shadow carnival you can reroll any natural one rolled on a d20 a total of three times. Cross off a square each time this favor is used and cross out the favor once it has been completely used.
