☛ **Blessed by the Wanderer:** For proving worthy of the faith of one of his priests, you have earned Fharlanghn's blessing. The next time you would be surprised on a road-side journey, you may act in the surprise round. Cross this favor out when used.

☛ **General Osmeran's Favor:** General Osmeran considers you to be a vital asset to Nyrond. He agrees to pay the full cost, casting and components, for any spell that is required to bring this character back to life (*raise dead*, *resurrection*, etc.). Cross this favor out once used.

☛ **Kurast's Favor:** For saving the life of Kurast's friend Moscha, he provides you with a single-use gem. Simply place the gem in a natural body of water and speak the command word "**Kurast**" and receive the following benefit for 17 hours (CL 17):

- Acid resistance 5
- Cold resistance 5
- Fire resistance 5
- Lightning resistance 5

Once used, the gem loses its magical abilities and is worthless (0 gp).

☛ **Kurast's Wrath:** Kurast uses his influence within Nyrond to show his displeasure for the loss of his friend Moscha. The next time you make a purchase on a Nyrond AR (including this one) of 4,000 gp or more, the cost of the item is increased by 10%. Thus a +2 headband of intellect would cost 4400 gp. Cross this entry off once it has taken effect.
