☛ **Bag of Faerie Snowdust:** This special dust is light and fluffy but cold to the touch. A pinch of the dust sprinkled on fire or thrown at a creature or object acts as a *quench* spell as cast by a 5th level caster. The dust has a range of 5 ft. and requires a ranged touch attack to strike a creature or as well as an object if it is being wielded or carried. A bag can hold up to three pinches.

Faint Transmutation; CL: 5th; Prerequisites: can't be crafted; Market Price: 750 gp per pinch; Weight: 1 lb. per bag.

☛ **Quaal's Feather Token (Horse):** This token takes the form of a trained light warhorse. The horse appears with saddle, bit, and bridle, and all other tack. It acts in all ways as a normal warhorse. The horse lasts for one hour.

Strong Conjunction; CL: 12th; Prerequisites: Craft Wondrous Item, major creation; Market Price: 450 gp; Weight: 1 lb.

☛ **Teardrop of the Sad Lady:** You offered to assist the Sad Lady to carry the weight of the world. In return, she gave you one of her tears, crystallized into *oerthblood*. When worn as a diadem on the forehead (occupying the headband slot), this teardrop acts as a divine focus of Beory and grants the bearer +1 bonus to divine caster level. In addition, you gain the ability of fast healing 1. Use of this item requires your conversion to the Old Faith religion (worship of Beory directly or Beory as part of the Old Faith), as this item only works for devout followers of Beory, the Oerthmother. Clerics who accept the Teardrop receive a free *atonement* spell from the Sad Lady to complete their conversion (as per the LIVING GREYHAWK Deities Document). As a devout worshipper, you cannot wear any form of footwear to symbolically show your connection to Beory (this prevents the use of magical footwear of any sort). If you should ever stop worshipping Beory, the Teardrop melts away (this item can never be sold).

Strong Conjunction; CL: 12th; Prerequisites: can't be crafted; Market Price: 32,000 gp; Weight: 1 lb.

☛ **Favor of the Grand Duchess Calisse Skotti:** You have assisted Grand Duchess Calisse on her quest in Faerie. Though she cannot reward you at present, she remembers your efforts on her behalf. Favor level B.

☛ **Fragment of the Primal Song:** You have heard a fragment of the primal song, as composed by Kindler, the first bard. This meets the special requirement of the Seeker of the Song prestige class.

☛ **Flowing Time of Faerie:** You have been caught in the flowing time of Faerie. Upon your return to the Flanaess, you realize you have spent _____ additional TUs in Faerie (mark these additional TUs in the appropriate box below).

☛ **Refused the Calling:** You have declined to assist Calisse when she needed your aid. She will not call upon you again. This PC may not play any future adventures in the Song of Three Summonings.

☛ **Touched by the Radiance:** You have assisted Grand Duchess Calisse and have been touched by the Radiance. It still pulses within you and will protect you if needed. You may call upon the Radiance once (and only once) to grant you a +10 circumstance bonus to a single saving throw. You must declare you are using the Radiance before the roll is made. Mark this reward as USED when it is consumed.

☛ **Spellbook of the Dreamtreader:** You have received a spellbook from Captain Haze, which contains the following spells (all from *Complete Arcane*): 1st – *low-light vision*; 2nd – *phantasmal assailants*, *swim*; 3rd – *bands of steel*, *greater mage armor*; 5th – *duelward*, *servant horde*. Market Price: 1,050 gp; Weight: 3 lbs.
