• **Tressym Familiar:** A tressym, a rare flying type of cat, has agreed to become your familiar (if wizard or sorcerer) or animal companion (if druid or ranger). To get the tressym as a familiar, you need to have the *improved familiar* feat; you may then automatically take a tressym as a familiar. To get the tressym as an animal companion, all you have to do is ask nicely. This is possible only once. Should the tressym die, you may not replace it with another tressym. Cross this entry off if your tressym familiar dies.

**Tressym:** CR ¼; Tiny Magical beast; HD 1/2 d8; hp 2; Init +2; Spd 30 ft. (6 squares), fly 50 ft. (good); AC 14 (+2 size, +2 Dex), touch 14, flat-footed 12; BAB +0; Grap -12; Atk +4 melee (1d2-4, 2 claws), -1 melee (1d3-4m, bite); SA -; SQ Darkvision, poison immunity, scent; AL GC; SV Fort +2, Ref +4, Will +1; Str 3, Dex 15, Con 10, Int 12, Wis 12, Cha 13.

**Skills and Feats:** Balance +10, Climb +4, Hide +18\*, Listen +3, Move Silently +10, Spot +2; Stealthy, Weapon Finesse (bite). Only one character may leave the table with a tressym, even if more are eligible.

• **Favour of the Aerdy Re-Enactment Company:** Kurlasgh Orm, the leader of the Aerdy Re-Enactment Company, has made you a honorary member of his Company. Besides lifelong free admission to all of the Company's performances, this Favour also counts as 1 Influence Point towards the Company. It stacks with other Favours of the Company.

• **Connections of Kurlasgh Orm:** This is a special kind of Favour that allows a PC to have Kurlasgh Orm, the leader of the Aerdy Re-Enactment Company, apply his considerable influence to erase one "Wanted in Ahlissa" condition or one Disfavour from any Ahlissan noble. The benefit need not be taken immediately. Once it is used, cross off both this Favour and the specific condition it is used to erase.

• **Disfavour of the Catlord:** You have angered the Catlord, a quasi-deity from the Beastlands and the Overlord of all catfolk, by killing one of his emissaries. For the rest of your life, all normal cats will shun you, and larger types will attack you on sight, if possible within the limits of future scenarios. You will never be able to gain a cat of any type (including larger and dire varieties) as a familiar or an animal companion.
