

THE CHURCH OF ZILCHUS

[RELIGIOUS]

Entry Requirements:

Region: Must be a resident of Verbobonc

Deity: Must have Zilchus as patron deity.

Special: While the Church of Zilchus accepts all that revere the Money Counter, only those that receive divine spells or abilities from Zilchus are eligible to rise above the rank of Bookkeeper

Titles, Benefits, and Duties: As you advance in the Church of Zilchus, you learn to win converts and spread the faith of the Great Guildmaster. All benefits are cumulative, with the exception of skill bonuses and spellcasting - which overlap (do not stack).

The Money Counter's faithful do not want their influence in all things. They want their influence in all things that can gain them prestige and power. Making large financial gains are important, but the church would much rather experience a moderate monetary gain accompanied by heightened prestige or favors owed. It is better to have someone of power owe the church over a long period of time than pay them off with lump sums of gold. "In the world of men, the desire for money can be overwhelming. Control that desire in yourself and exploit it in others - that is the key to success and power. Anything done in the world can be better done for profit, and those who recognize these opportunities are one step ahead of any competition."
