

# CLAN ROCKHALL

**Symbol:** A tall mountain flanked by two smaller mountains. The left mountain bears the symbol of an axe and shield. The right mountain bears the symbol of a hammer and anvil. The central mountain shows a stone walkway leading to a granite keep.

**Background and Goals:** The ancient and noble Clan of Rockhall has a long history in Verbobonc. Over five-hundred years ago, the noble clan inadvertently released an ancient evil buried deep beneath the Lortmil Mountains and were driven into exile. In the flight, the knowledge of the way back to their homeland was lost.

In CY 595, with the aid of adventurers, the Clan rediscovered the lost way home. In a fierce and epic battle, Thuldon, Thane of Rockhall, led the Clan to drive the invaders from their midst. Since then, they have returned to their great city of Ulthak-Nor and reestablished relations with the neighboring regions. Recently, envoys from Prince Coronod of Ulek have arrived asking for help in their reclamation of their lands to the orkish horde of Turrosh Mak in the Pomarj. And so the forge fires of Ulthak-Nor burn bright as the dwarves prepare to mark to the aid of their kin.

**Members:** Members of Clan Rockhall are a prideful clan, having overcome incredible adversity to reclaim that which was taken from them. They tend to be steadfast and loyal with their allies, and unrelenting against those who are their enemies. Dwarves of Rockhall tend toward lawful alignments, however this is not a requirement to join. Those that reach the rank of Steward are eligible to join certain groups within the Clan (see **Membership Options**).

**Type:** Tribe (Racial)

**Scale:** 10 (regional [Verbobonc])

**Affiliation Score Criteria:** Membership in Clan Rockhall is only open to dwarves that are residents of Verbobonc. An exception is granted to those individuals that had their souls reformed by Moradin during the reclamation of Ulthak-Nor (see VER5-03: *Minions of Shadow and Fire*).

### Mithral Guard

The Mithral Guard is an elite dwarven unit of warriors and protectors dedicated to the defense of Clan Rockhall and the dwarven nation. Formed by Thuldon Rockspitter, the Mithral Guard is versed in team tactics, underground combat, and strives against any invader that would threaten Ulthak-Nor or Clan Rockhall. When danger threatens the clan—it is the Mithral Guard that serves as the first line of defense and a bulwark against the incursion, with members putting themselves directly in harm's way so that others may escape. They are devoted members of Clan Rockhall that have proven themselves dedicated to the defense of the dwarven nation. Their specialized training teaches them how to draw strength from the very stone beneath their feet. The Mithral Guard spends much of their time patrolling the tunnels around Ulthak-Nor, vigilant against both the hated illithid invaders, and the ever-increasing threat of Blackthorn and the Pomarj.

Membership in the Mithral Guard is only open to those lawful-good dwarves that have received a personal invitation from Thuldon Rockspitter to join. For that reason, information on their benefits, requirements, and abilities is not listed here. If you are fortunate enough to receive an invitation to join this elite group, you will receive a separate certificate which details this information.
