

# THE BATTIROVKA FAMILY

## Requirements:

**Influence:** Must use one influence point with The Family

**Region:** Must be a resident of Verbobonc

**Special:** Blood in, blood out: Family ties are everlasting. The only way to sever those bonds is in permanent death.

**Titles, Benefits, and Duties:** As you advance in the Family, you rank, reputation and power also increase. All benefits are cumulative, with the exception of skill bonuses which overlap (do not stack).

**Restrictions:** Members of the Family may belong to other metaorganizations, but all costs (including affiliation points) are doubled for those organizations.

The Family, is a network of Verbobonc residents, spanning the strata of common society, with the intention of personal financial improvement. "The Family" controls all activities within Verbobonc City, which in other cities of the Flanaess traditionally come under the control of a Thieves Guild. Nearly all thieves and smugglers in Verbobonc City are related to the Battirovkas, marry into the family, are adopted into the family, made close friends of the family, hired by the family, or are found to have suffered an unfortunate "fatal accident." Loyalty provides a rigid code of conduct for all concerned. From the lowest thug to the patriarch Cor'dova "The Bear" Battirovka, all abide by their code of loyalty.

### Score    Title: Benefits and Duties

3 or lower No affiliation

4-10    **Associate:** Associates are those that have shown an aptitude for assisting the Family in facilitating their endeavors. They gain access to the following equipment: black bodysuit A&EG, ascender/slider A&EG, bolt cutters A&EG

To help the Associate in the pursuit of Family goals, they receive one (1) temporary influence point with the Family at the start of each Verbobonc regional adventure. This influence point must be used during the adventure or it is lost. Additionally, because of their connections, the Associate receives free Adventure Lifestyle [Standard] during any Verbobonc regional adventure.

Associates must spend 4 TU's per year doing chores for the Family. In addition, you must pay 5% of all coin earned to the Family Trust.

11-20    **Friend:** A Friend of the Family may select four (4) of the following skills to receive a +1 circumstance bonus: Appraise, Balance, Bluff, Climb, Diplomacy, Disable Device, Disguise, Escape Artist, Forgery, Gather Information, Hide, Intimidate, Move Silently, Open Locks, Search, Sense Motive, Sleight of Hand, or Use Tope. The Family provides the Friend with an expanded selection of equipment, which now includes the following items: forgery kit A&EG, longspoon thieves tools A&EG, smuggler's boot A&EG, boot sheath A&EG, sashling RS.

In the event that a Friend is arrested for a low crime in the Viscountcy, they may instead choose to use their Family ties to seek out a Safehouse. This eliminates any monetary fines or confiscation of possessions levied as a result of the punishment. It does not eliminate any TU penalties, however the time is spent in the Safehouse instead of jail. The first use of the Safehouse to escape a Low Crime incurs a -3 penalty to your Affiliation score, with subsequent uses incurring an additional -1 cumulative penalty. If this would result in a reduction in rank, you may not use this ability and results in **Convicted of a Low Crime**.

At this level, the Family is willing to teach the Friend the rudiments of their specialized training to the Friend. The Friend gains access to the first three (3) levels in one (1) of the following limited prestige classes:  Nightsong Infiltrator CV or  Spymaster CV. Check your chosen prestige class.

The time you spend on Family business increase to 6 TU's.

21-35    **Cousin:** The bonus to the skills listed above increase to +2 and you receive one (1) additional temporary influence point. Additionally, the equipment access is expanded to include the following items: broadblade shortsword RD, tumbler's breastplate RS, blasting pellets RS, jewel's loupe A&EG.

Even the lowest level street thug has heard your name. A Cousin of the Family has Street Cred. Once per Verbobonc regional adventure, you take a -2 penalty to your Affiliation score to gain a circumstance bonus equal to your character level to one Charisma-based skill. This skill must be one where you receive a bonus for being a Family member (see Friend) and overlaps (does not stack with) the prior bonus. If the use of this would result in a reduction in rank, you may not use this ability. Additionally, the DM may disallow the use of this ability if he feels it is inappropriate to the situation (such as using Diplomacy on a bear in the Gnarley Forest).

The Family continues to teach you the more advanced aspects of your chosen path, and you gain access to three (3) additional levels in your chosen prestige class (see Friend)

The time you spend on Family business increase to 8 TU's.
