

# CAPE OF THE MOUNTEBANK

*DDAL04-07: The Innocent - Curse of Strahd*

This long cape is made of light-grey silk trimmed in coarse, black fur. Although it is obviously of high quality, it appears tattered and worn. Instead of smoke, a cloud of stale dust is left behind when the wearer uses this item's *dimension door* ability. See the *Dungeon Master's Guide* for a full description of this item.

*Wondrous item, rare*
