HAS RECEIVED STORY AWARDS FROM:
(cross out those not received)

DALEI-7 Arts

DALE19 Teacher at Arrowpoint

You are offered a position on the board of the Arrowpoint Institute. As an honorary teacher, you are expected to teach at least three tendays out of each year. You receive a stipend (which has no in-game benefit), as well as an official degree noting you an honorable teacher in your field. Note the field of your study in your adventure log.

DALE20 Member of the Stellar Fellowship of Gentle Adventurers

You are sponsored by Torleaf from Arrowpoint - and indirectly Dayan Nenthyn - and gain free access to the Fall of Stars in New Velar. You may learn the sigils of the club's teleportation circle for use in the Linked Portal ritual.

When applicable in adventures, this story award grants the same benefits as **DALE03 Member of the Stellar Fellowship of Gentle Adventurers**, except for the resolution of a major quest.

DALE21 Arts and Crafts

For discovering and shutting down the testing of the drug known as Agony, you have drawn the attention of the secretive drug lords trading in it. While this could mean greater difficulties for you should you come across them again, you are also armed with foreknowledge of their activities, giving you an edge in the fight against them and those that support them.

This story award is part of the Arts and Crafts major quest. The other part occurs in *DRAG1-7 Crafts*.
