~~DRAG1-2 THE THIN GRAY LINE~~

DRAG03 Docks District Enforcer / Liberator / Meddler

Your public involvement in recent events in the docks district has seen you gain somewhat of a reputation with the locals. In every Dragon Coast adventure set in Westgate, you must inform your DM of your status as an Enforcer / Liberator / Meddler as this will affect NPC attitudes toward you. Please note the reputation you have earned on your Adventure Log.

DRAG04 Enmity/Enemy of the Fire Knives

The Fire Knives have struck a stunning blow to law and order in the docks district. A hero with the Enmity of the Fire Knives is individually targeted during any combat involving a member of this notorious organization. Heroes with the **DRAG02** story award are considered an Enemy of the Fire Knives. The Nine Golden Swords like your style and may invite you to a business lunch the next time you visit Westgate.
